Brotherly Love Said Necessary

Campus Takes Part In National Week For Unity, Strength

Brotherhood Week, sponsored jointly by the University religious council, the University lectures committee, and the department of religion, will be observed on the campus from February 25 to 27. Men representing the Catholic, Protestant and Jewish faiths have been invited as guest lecturers.

National Brotherhood week was established by President Truman in an effort to see that some sort of observance was carried out on each college campus of the nation.

He said, "National unity and strength depend upon the willingness of men of all creeds, races, and national origins in America to respect one another's rights and to cooperate as citizens in all areas of common conviction, concern, and responsibility.

Maintain Respect

"Mutual understanding and impartial justice among Protestants, Catholics, and Jews are essential to the perpetuation of our nation's influence and well-being. Intolerance is a cancer in the body politic. We must maintain respect for the rights of every individual, inherent in his relation to God."

Dr. Leo Trepp, rabbi of the Sinai temple, Tacoma, will lecture Wednesday at 4 p.m. in alumni hall, Gerlinger on "The Philosophy of Saadya." Rabbi Trepp is a student of Jewish philosophy and mysticism, both modern and medieval.

Portlander Listed

First speaker Thursday will be Rev. Francis J. McConnell, bishop of the Portland area of the Methodist church, who will talk at 4 p.m. in alumni hall, Gerlinger on "Albert Schweitzer." Rabbi Trepp will talk on "Martin Buber" in room 207, Chapman hall beginning at 7:30 p.m. Thursday. Following his lecture, Father Leo J. Linahen of the chancery office of the archdiocese of Portland, will speak on "John Henry Newman: His Life."

Bishop McConnell will speak again on Friday at 3 p.m. in alumni hall, Gerlinger. His topic will be "Mahatma Gandhi." Father Linahen will lecture on "Newman: His Coat of Arms" in Gerlinger at 4 p.m.

All three speakers will conclude the brotherhood observance Friday night at a round table discussion on "Religion and the World Order." The discussion will begin at 7:30 p.m. and will be moderated by Dr. Harry K. Newburn.

The Friday night discussion will be sponsored jointly by the Brotherhood committees and the International festival committee of the YWCA. This panel will begin the observance of the annual International Festival.

Bill Munroe, sophomore in business administration, is student chairman of the Brotherhood Week observance.

AKD to Elect Officers

Elections will be held and movies will be shown this afternoon at the meeting of Alpha Kappa Delta. The meeting will be held at 4 p.m. Room 107, Oregon hall.

Petition Permitted For 'Pegged' Pupils

Students with pegged grades established by the scholarship committee to be met this term, but with accumulative GPAs of a 2.0 or better may file a petition to have the pegged grades removed.

The dean's office will assist students who are preparing petitions to be brought before the scholarship committee. Students who have had their pegged grades removed may pick up advance registration materials now.

Registration Slow in Starting Says Registrar

Approximately one thousand students picked up their registration material Monday, C. E. Avery, registrar, said yesterday. Comparison with past opening days of advance registration showed the number to be unusually small.

Students registering in the college of liberal arts have been asked to arrange conferences with their advisers on March 1, 2, or 3, and to secure departmental approval of their class cards on March 4, 5, and 6.

Ends Saturday

Advance registration will end Saturday noon. New students and old returning students not enrolled during the week may register March 29.

To assist the students, registration material may be secured during the noon hours on Tuesday and Wednesday.

Those involved in the process of registration are urged to refrain from cutting classes to register and that free hours should be used.

Pay in March

Final steps of checking and fee payment may be concluded from March 8 to 13, when absolutely necessary, according to the registrar.

Material, including full instruction sheets, may be picked up at Emerald hall. The alphabetical schedule for tomorrow and Wednesday follows:

J-N not earlier than 8 a.m. Tuesday.

O-S not earlier than 1 p.m. Tuesday.

T-Z not earlier than 8 p.m. Wednesday.

Plans to promote the all-campus

drive include a noon-time show in front of the Side March 3, speakers at living organizations, and a sound truck along Thirteenth street.

Miss Johns urged all houses to send representatives to the Tuesday meeting to pick up their receipt books and learn the procedure of handling the drive.

Miss Cora Pirtle, Lane county Red Cross manager, and Ray Sigenthaler, Red Cross fund chairman for Lane county, are to explain the Lane county Red Cross program at a meeting of house representatives Thursday in room 3, Fenton hall. There will also be a film of the national Red Cross disaster aid. Margaret Rausch will speak on the campus drive.

Ski Movies Slated To Show Tonight

Ski movies photographed in the Canadian Rockies near Banff by Luggi Foeger, international ski instructor and photographer, will be presented tonight at Roosevelt junior high school in two continuous showings, at 7 and 8:45 p. m. The films are sponsored by the Obsidian club. Admission charge is 75 cents.

"Rhythm on Snow," an all sound and color film, will show Tony Matt, Herb Schneider and other famous skiers doing both serious skiing, and skiing for fun.

"Ski Pro's Holiday" shows the same group of skiers taking a spring holiday on skis.

Attorney To Speak On Training

Affirmative Side To Be Presented Tonight in Fenton

"Training or American Security and Citizenship," the affirmative side of universal military training, will be discussed by Rex Kimmell, deputy attorney general for the state of Oregon, tonight at 7:30 in room 3, Fenton hall.

Kimmell asked the educational activities board for the opportunity to speak, after retired Brigadier-General Herbert C. Holdridge talked on the negative side of UMT last month. Negative arguments purported by Holdridge are expected to be challenged by Kimmell tonight.

Holdridge Against

Holdridge regarded UMT as unrealistic, unsound, and dangerous. It was his opinion that there is not one valid argument in favor of the program from the angle of national security, national militarism, or international relations.

Kimmell, who has spoken on the subject previously in Oregon towns and cities, was an enlisted man in World War I. He claims it will "be a privilege to dispute a general."

Calls It a Challenge

From 1930 to 1933 he was assistant United States district attorney for Oregon. He assumed his present post of deputy attorney general last year.

General Holdridge, when speaking on the campus January 22, considered UMT a plan for war which would teach every American boy to think like a soldier, fixing one universal pattern on each of their minds.

"We cannot let this matter pass unchallenged," said Kimmell in requesting a speaking date. He has been a member of the American legion for 28 years. He received his law degree from the University of Idaho.

Flood Ceases; Trailers Moved

Trailers, many of them containing University families, were moving back into the Glenwood area between Eugene and Springfield Monday, following a brief flood. Red Cross disaster workers said that not many left their homes.

The Willamette river, swollen by heavy rains, reached a crest of 13.6 feet at 5 p.m. Sunday, the weather bureau reported. Flood stage was reached at 11 a.m.

In a smaller-scale repetition of January's flood, more than twenty trailers were moved from Glenwood to University street near McArthur court, with others being placed at the fairgrounds.

The road between Eugene and Springfield was never completely cut by the flood waters, with limited traffic possible at all times. Traffic to Goshen and points on Highway 99 south was resumed early Monday.

In Eugene storm sewers carried off most of the rainfall. Only Nineteenth street had to be closed Saturday night.

Haycox to Address Luncheon

Ernest Haycox, Portland author, will speak at the International Festival luncheon at the Eugene hotel Saturday, Bep McCourry, luncheon chairman announced yesterday.

Haycox has recently returned from a trip to Greece where he served as special assistant to Dwight Griswold, the president's emissary to that country. While on this trip, he took excursions into the Greek back-country to pick up material for new stories.

Miss McCourry urges that all campus living organizations send at least one representative to the luncheon which will begin at 12:15 p. m. Tickets will be sold at the YWCA between 2 p. m. and 5 p. m. this week for \$1 each. If possible, the chairman asks that tickets be purchased or reserved by Thursday.

ERNEST HAYCOX

The quota for the luncheon is 150 people.

Haycox, 1923 graduate of the University, is the newly elected president of the Oregon Dad's. He was president of the Oregon alumni association for two terms in 1946-47 and is now serving on the executive committee of the alumni association.

Saturday afternoon discussions will begin at 2 p. m. on the comparison of American and foreign education systems, Joan O'Neill, discussion chairman said yesterday. Included on the panel will be Captain, Hsu Kai Yu, graduate student in journalism; Peter Linde, graduate student in finance and banking; and Herbert Weiss, freshman in liberal arts.
