Professors Speak Of French Display

The correlation of modern French poetry and art was illustrated in lectures by Laurence LeSage, assistant professor of Romance languages, and Wallace Baldinger, associate professor of art, at the art gallery Sunday.

LeSage discussed the characteristics of "French poetry from Baudelaire to surrealism," giving examples from various poems.

first quarter. In the last of the second period, Sigma Nu pulled a series of forward passes that found the hoop, and went into the lead at half-time, 14-11. Don Ruth, who led his team with nine points, kept the Theta Chis in the game with his powerful backboard work and accurate pivot shots. The Hilltoppers put on a hard third-period drive and came within three points of Sigma Nu at one time, but the Mill Race boys pulled away in the fourth quarter to win going away, 34-23. SD Pennant Bears' Goal

Southern Division

California	8	0	1.000
USC	4	4	.500
UCLA	2	6	.250
Stanford	2	6	.250

The California Bears, due to their pair of victories last week, are now assured of at least a tie for the Southern Division crown and are a safe bet to win it in a breeze.

The Berkely lads need just one more win in the remaining four games to gain the right to play the Northern Division champion. The eight straight conference wins chalked up by California is the result, in large part, of the play of high scoring Chuck Hanger and Andy Wolfe. Hanger has a 15.4 average in eight games to lead the Division in scoring.

Nibs Price's Bears will have their golden opportunity this weekend when they host the UCLA Bruins and Southern California in Friday and Saturday night games respectively.

The Trojans meet Stanford Friday, while UCLA moves over to Palo Alto Saturday in the battle of the cellar-dwellers.

Coach Works Webfoots; WSC Series Next Week

Coach John Warren sent his Webfoot cagers through a 60-minute scrimmage with the Frosh yesterday, as Oregon began a week's practice for the Washington State games here Monday and Tuesday.

In the third 10-minute session of the afternoon, the Duck quint of Jim Bartelt, Dic Wilkins, Roger Wiley, Bob Lavey, and Reedy Berg soundly trounced the team of Bill Green, Al Reible, Roger Mockford, Ji mBartelt, Dick Wilkins, Roger 32-18.

The forwards, Bartelt and Wilkins, fired in eight and nine points respectively, while the other three—Wiley, Berg, and Lavey—each bucketed five. In the first frosh scrimmage, the same squad defeated the Yearlings' Will Urban, Ernie Wilde, Bob Taggesell, Don Peterson, and Jack Keller, 19-13. Wiley was high for the contest with eight points.

The other 10-minute frays with the frosh were also captured by the varsity men, with scores of 15-7, 22-15, and 10-6. Bob Don and Paul Cooper were latching onto rebounds repeatedly, as both men are in line for a forward berth.

More scrimmage action is scheduled in preparation for the Cougar

team, which plays Oregon State, Friday and Saturday nights in Corvallis.

Jack Friel's WSC team holds to one-point victories over Oregon, 66-65 in overtime, and 60-59. It was these two setbacks which knocked the Webfoots from title contention this season, and the Lemon-and-Green cagers are now in a favorable spot to return the compliment.

SAM Takes IM Handball

Sigma Alpha Mu captured the intramural handball championship of 1948 by downing Alpha Tau Omega, 3-0, in the final game of the season.

Saal Lesser beat Ramsey Fendall in the first singles match, and Vic Menasche followed with a win from Joe Hall for two SAM victories.

The Sammies went on to win the doubles match, Marv Horenstien and Al Lippman winning over Dick Stoinoff and Frank Bosch of ATO.

Late Rally Falls Short

MOSCOW, Ida., Feb. 24—(UP)—Last place Idaho led most of the way and battled off a closing University of Washington rally tonight to edge the highly favored Huskies 43 to 41 in a Pacific coast conference basketball game before 4,000 wildly cheering fans.

Preston Brimhall, Sophomore guard, spearheaded the determined Vandals tonight, potting seven free throws and five field goals for 17 points.

The Vandals held a 21-14 edge at halftime, and after the intermission ran up a 10-point lead with Brimhall, center Jay Gano and guard Joe Grove leading the attack.

Washington began making its bid midway through the second half. Behind 32-22, Washington's forward Sammy White, center Jack Nichols and forward Bill Vandenberg began hitting the hoop, closing the gap to 40-39 with two minutes to go.

Forward Dick Geisler made it 41-39 for Idaho with a gift toss and forward Wendell Christensen ran it up to 43-39 with a field goal. The Huskies kept trying, with guard Andy Opacich sinking a desperation shot with 30 seconds to go to make it 43-41.
