5000 Prep Cage Enthusiasts To Overflow Housing, Igloo

An influx of approximately 5000 students and team spectators for the state high school basketball tournament March 16-20 was the prophecy of Bob Cross, chairman of arrangements for the annual tourney.

He said that 50 season tickets were being sent to each team which is playing in the five-day fest, although the individual schools may write in for additional passes.

Housing Wanted

At present the housing bureau for the state tournament is searching for rooms to house high school students during the 16-team jamboree. Cross announced that anyone knowing of a place where students could stay should call Eugene number 3491.

The high school teams and accompanying officials have already had housing reserved at hotels and motels throughout the city, although only five squads—Washington and Jefferson of Portland; Astoria, Springfield, and Klamath Falls—have already clinched berths in the playoffs.

Entertainment for the visiting students is also being planned, with dances to be held at Gerlinger hall on the University campus, YWCA, and the Masonic temple. Cross also said that the theaters had agreed to cooperate by open-

ing their doors at 10 a.m. to admit customers.

Other forms of entertainment available for students will be ice-skating and roller skating.

Coaches Golf Tourney

Final details are also being worked out for the various coaches' meetings to be held throughout the course of the tournament. One of the highlights of this will be a golf tourney for the high school mentors Saturday afternoon, March 20, at the Eugene Country club.

This next week, publicity for the tourney, including posters and bumper guides will be distributed. The high school basketball reference guide will go to press this week and sales will start around March 10.

Season tickets for adults sell for \$10, Cross revealed, while students of high school level can procure these for \$3.60. He said that plans were underway to let University students into the games the final two nights at a lower general admission price. These students would have to present their student body cards to be able to take advantage of this offer.

The tournament will get underway Tuesday night, March 16, with two games. Thereafter there will be both afternoon and evening games for the rest of the week excepting Saturday, March 20, when the finals will be held at night.

Winner of the intramural "B" cage title was the Sigma Chi team: left to right, front row—Bob Reinhardt, Don Pickens, Hal Cuffel, John Jones, Bill Colver; back row—Millard McClung, Bob Sanders, Lynn Hamilton, Jack Leonard, Marsh Gloss.

Steelers May Sign Chappius in June

Toledo, O., Feb. 27 —(UP)—Bob Chappuis, Michigan's fleet halfback, probably will sign a contract to play professional football with the Pittsburgh Steelers of the National League, S. F. Chappuis, his father said tonight.

But, said the elder Chappuis, the document will not be inked until after Bob graduates this coming June.

Chappuis said they have been "negotiating" with the Pittsburgh club and added that "things look as if we will get together with them."

Nine Hours for 50c

LOS ANGELES, Feb. 27.—How hungry can you get? That's what Clifton's cafeteria, which offers all you can eat for 50 cents, wondered today. A well-dressed middle aged man yesterday ate an estimated \$30 worth of foods from noon until 9 p.m., making 18 trips to the counter before attendants stopped counting.

Frosh Leave Eugene Minus Key Players; Pirate Game at 7:30

With the loss of two starting players a near certainty, Coach Carl Heldt's Frosh basketball team will leave for Coos Bay at 8 this morning, and will tip-off with the Marshfield high Pirates tonight at 7:30.

Jack Keller and Will Urban are the players in question, since they were both called to Portland because of illness in their families. It is doubtful whether they will return in time to make the trip.

All Beaver Hurlers But Helser in Camp

Riverside, Cal., Feb. 27—(UP)—Righthander Jack McKinney, who won 13 and lost 9 with Beaumont in the Texas league last year, joined the Portland Beavers training camp today, leaving only lefthander Roy Helser missing from Jim Turner's 1948 mound staff.

Only pitchers, catchers and rookie infielder Frank Zak have worked out thus far. The remainder of the 51-man squad is expected to arrive by Monday.

Baseball Meet Set

Varsity baseball coach Don Kirsh has called a meeting of all varsity baseball players to be held at 3 p.m. Monday at McArthur court. Equipment for the coming season will be issued.

Kirsh asked that all pitchers and catchers bring gym shoes with them.

the Ducklings have only six games remaining after tonight to complete a 22-game schedule. Five of these contests will be played at home.

If Keller and Urban fail to get back, Heldt plans to use a makeshift starting lineup against Marshfield, consisting of Dick Mase and Ernie Wilde at forwards, Bob Taggesell at center, and Don Peterson and Leroy Coleman at the guards.

Nine Men to Go

A nine-man traveling squad is slated to make the trip, including Mase, Wilde, Taggesell, Peterson, Coleman, Brad Fullerson, Gene Hover, Rod Slade, and Eddie Artzt.

The loss of two key players will especially hurt Frosh chances in this game, since Bill Borchert's Pirates are expected to provide the toughest prep competition the Ducklings have faced this year.

Champs May Return

The Marshfield quint, defending state champions, will probably return to McArthur court for this year's tourney. They have virtually cinched a playoff berth, representing district 5. Hank Anderson's strong Cavemen from Grants Pass has been the only squad to defeat the Pirates this season.

The Yearlings ran through a light practice session yesterday afternoon, the two new starters working with the three regulars. Heldt stressed offensive play in the workout.

"It contained my car keys, \$20 and a whole package of Dentyne Chewing Gum!"

"This dame must think I'm Dick Tracy! Nobody can resist delicious, clean tasting Dentyne Chewing Gum. Nobody can pass up that rich, long lasting flavor. She knows Dentyne helps keep teeth white and smiles bright. Yet I should find the guy who stole her Dentyne. If I could do that I'd be the D.A.!"
