

Campus Easter Seal Campaign Starts Monday

The campus Easter seal drive will be held from March 8 to 10, according to Laura Olson, president of Phi Theta Upsilon. The junior woman's honorary, along with Kwama, Skull and Dagger, and Druids, is sponsoring the drive.

Seals will be sold at houses and a booth will be set up Wednesday in the Co-op. The seals are ten cents a pack, ten seals in a pack.

The drive is being held as a part of a national drive, now going on, for the support of the national society for crippled children and adults, which received its major support from the drive.

Local chapter of the society sponsors the children's hospital school, 1166 Alder street. There are 21 children at the school now, although the capacity is 30. Present objective of the society is, through the sale of Easter seals, a dormitory, to enable children from all over the state to attend the school. There is no dormitory connected now with the school.

The local school was opened October 17, 1947. Spastic and athetoid cases, injuries which control the use of the muscles, are treated, along with permanent muscular disorders.
