state politics during the 20's when his name appeared among the "also rans" in 1924, governor; 1925, mayor of New York; 1926, state senator; 1927, alderman in New York city; and 1929, mayor of New York.

Thomas has been active in public service work and the socialist party serving as a social worker, pastor, editor, director of the League for Industrial Democracy, and chairman of the post-war world council.

He is the author of many books, including "America's Way Out," "Human Exploitation," "What Is Our Destiny?" and "Appeal to the Nations." He writes a weekly column for the "CALL" and is one of the most frequent participants in radio forums.

Thomas is a speaker who en-livens his speeches with an inera-dicable sense of humor, according to one of his reviewers. He has been frequently arrested and pre-vented from speaking, particularly in Jersey City, though he depends more on logic than emotion.

Two things every college man should know!

1. This is a hot trumpet player. When he's in (the groove), he's out (of this world). He plays this infernal machine in a band, provoking dancing, dreaming, and mayhem.

2. This is a "Manhattan" Tie. Designed by our own hep artists. "Manhattan" Ties, too, tend to provoke dancing and dreaming—even mayhem if your roommate tries to borrow 'em. See these handsome, colorful ties at your "Manhattan" dealer's.
