

## UO Lutherans To Attend Meet

Lutheran students from Oregon, Washington and Idaho will hold their annual regional spring conference this weekend at Camp Lutherhaven on Lake Couer d'Alene, Idaho. The meet will start on Friday evening and last until Sunday noon.

The theme of the conference, "Thy Will Be Done," will be carried out in Bible studies and student-led discussions. The weekend's program will also include quiet hours, hymnspiration, campfires, an "Information Please" meeting to learn what other groups are doing, and a technique hour for all old and new officers, both regional and local. A full recreation program has also been planned.

The main bible study leader will be Miss Margareta Neovius, foreign secretary of the Student Christian Federation of Finland, who is making a year's tour of the United States visiting colleges and universities and working with Lutheran students.

The Oregon delegation now consists of twelve delegates. Others who desire to attend are asked to call Trudy Rogness, Ext. 232, on

## WORLD HEADLINES

By United Press

OMAHA, Neb., April 13—(UP)—Harold E. Stassen maintained a slight lead over Gov. Thomas E. Dewey in the Nebraska presidential primary tonight on the basis of early returns.

Sen. Robert A. Taft of Ohio was third.

Trailing the three leaders were Sen. Arthur Vandenberg of Michigan, Gen. Douglas MacArthur, Gov. Earl Warren of California, and House Speaker Joe Martin of Massachusetts.

Returns from 408 of 2,024 precincts gave:

Stassen 13,830; Dewey 10,866; Taft 3,724; Vandenberg 1,202; MacArthur 988; Warren 218; Martin 148.

The two-man race between the 41-year-old Stassen and the 46-year-old Dewey began developing with first returns from the eastern section of the state, and continued with reports from the central agricultural area and the western range country. Each spent several days last week campaigning the state.

SHANGHAI, Wednesday, April 14—(UP)—Communists were gradually tightening pressure today against government positions in three war theaters Manchuria, Shantung, and Honan, in what appeared to be a general spring offensive by the reds.

The growing power of the Red push was having repercussions in the national assembly at Nanking, where some of the country's top military leaders are under

fire from delegates demanding that the government place more reliance in the peoples' militia instead of depending entirely upon nationalist armies.

SEOUL, Korea, Wednesday, April 14 (UP)—A communist-sponsored meeting of Northern and Southern Korean political leaders scheduled to begin at Pyongyang today was postponed at the last minute, apparently because of the absence of two key figures from the American-occupied zone.

Failure of the conference, in the midst of bitter pre-election campaigning, came as Lt. Gen. John Hodge, American occupation commander, accused the communists of murder and terrorism in attempts to prevent the May 10 elections.

WASHINGTON, April 13—(UP)—The Red Cross reported tonight that Ohio river flood waters have affected 900 families in West Virginia, Ohio, Kentucky, and Indiana.

It said 615 persons are being housed in 12 Red Cross emergency shelters. The army and cot guard is working with the Red Cross in the relief work.

WASHINGTON, April 13—(UP)—Some 30,000 non-regular U.S. air force officers were notified today that they must sign up for three years of active duty before July 1 or leave the service.

The new order also applies to non-regular air force officers serving with the air force, it does not affect chaplains or medical officers.

him past the defensive team consistently. He is an expert at getting through a small hole quickly.

Keith DeCoursey was also knitting through holes, and showed the drive which made him an all-state fullback in 1940. DeCoursey was picking up yardage both through the line and around end.

### Lewis Turns Defensive

An offensive star on previous days, Woodley Lewis played fine defensive ball, after a little help from backfield Coach Frank Zazula. Zazula took Lewis in hand, pointed out his mistakes, and then watched his pupil turn in a top-notch performance.

Big Sam Nevills was a tower of strength in the line as he opened holes and cut down defensive backs. The 242-pound tackle saw some action on defense, where he was also impressive.

Others showing in the line were Bus Newcomer, defensive center, Bob Roberts, offensive tackle, Les Hagen, offensive end, Dick Morrison, offensive left half, and Gus Knickerrom, defensive tackle.
