

Newburn Endorses Disciplinary Group Change, With Revisions

More responsibility within living organizations and improved quality of campus politics have been recommended by President Harry K. Newburn before any revision of the student disciplinary committee is planned.

President Newburn's opinion was asked by sophomore representative of the ASUO executive council, Art Johnson, because of a suggestion by the faculty senate.

Early in April, the ASUO executive council submitted a recommendation to revise the student disciplinary committee to the faculty senate. The recommendation asked that a board of seven upper-division undergraduates, advised by one faculty member, replace the present committee. Seven faculty members and three student members make up the committee now.

More Discussion Needed

Then the faculty senate, in a letter written by chairman Dean Orlando J. Hollis, decided that redrafting and more discussion were needed before such a recommendation could be accepted. They thought such revision of the disciplinary committee would create many problems and would not be wise.

The senate requested that revised plans be discussed with the student disciplinary committee and President Newburn for the purpose of redrafting them.

Johnson conferred with President Newburn and the results have been submitted in a letter to the faculty senate.

Eugene Named Electronics Point

Eugene has been selected as central control station for the southern area of an Electronics Warfare company, according to information from Seattle.

A voluntary organization, the company will not require compulsory attendance or commitments to the Navy. Equipment is already set up in Eugene, but Radiomen, RM strikers, and ETM's are needed.

Ames Hendrickson will answer questions concerning the company between 4 and 5 in Room 107, Oregon, this week.

YM-YW to Hold Coffee Hour

The campus YWCA and YMCA in conjunction with Friendly house are inviting all foreign students and American students to a coffee hour at 4 Wednesday at Friendly house.

"The idea is to introduce the foreign students to Friendly house as a place to spend free time, meet American students and feel at home," said Marjorie Petersen, chairman of the foreign students committee of the YWCA.

Friendly house is located at 11th and Ferry streets.

Brown Appointed Dewey's Manager

Gene Brown, senior in law, has been appointed chairman of the Oregon Veterans-for-Dewey committee, announced Ralph D. Moores, manager of the Dewey campaign in Oregon. Wilbur Craig, senior in liberal arts, was appointed third vice-chairman of the group.

Other officers of the committee include: William A. Meeks of Sweet Home, first vice-chairman, and David McCurrach of Portland, second vice-chairman.

During the war, Brown was a major in the paratroops and was one of the most-decorated veterans in Oregon. He was in the Battle of the Bulge, Bastogne, Normandy, Holland, the Rhineland and other areas in central Europe. He was wounded four times, holds the Purple Heart with three oak clusters, the bronze star with two clusters, the Militaire Wilhelms from Holland, the Croix de Guerre from Belgium, and the British Parachute award.

Newburn commended the interest shown by the council's consideration of this matter. He emphasized the need for close cooperation between students and faculty. His conference with Representative Johnson also resulted in suggestions for ways in which more responsibility could be assumed in student government.

This student government could logically end in such a revision of the student disciplinary committee as was proposed by the executive council, according to President Newburn.

The ASUO executive council has asked for a definite statement of the faculty senate's opinion concerning the revision.

Library Friends Invited to Meal

The annual dinner meeting of the Association of Patrons and Friends of the University library will be held May 8, at the Osburn hotel at 6:30 p.m.

Dr. Hoyt Trowbridge, professor of English at the University and chairman of the committee on curricular revision in the college of liberal arts, will speak on "The University and Its Library."

Martin Schmitt, curator of special collections, will tell of his activities in collecting materials for the Oregon collection of the library, and show slides of the Lee Moorhouse collection of early Oregon photographs.

Outstanding gifts will be named by Miss Bernice Rise, readers' consultant and circulation librarian, and she will also speak on the house library organization, and the Josephine Evans Harpham award.

Reservations for the dinner should be made with the University librarian, Ext. 572, by Thursday, May 6. Visitors will be welcome, and formal dress is optional.
