## Regulars Beat Reserves, 20-12 As Newcomers Perform Well

By FRED TAYLOR

Coach Jim Aiken turned his gridmen loose Friday afternoon in a full scale intrasquad game, complete with uniforms and linesmen, and the white-clad combination of the first and third elevens ground out a 20 to 12 victory over the Green squad, the second and fourth teams, on the practice field gridiron.

Playing irregularly timed quarters, the Whites drove to a touchdown early in the first period, registered again late in the second, and tallied last in the third quarter for their 20 points. The Green outfit crossed the goal line in each of the last two periods for its 12 points.

### Sanders Scores

It was booming Bob Sanders, drive-driving fullback on the White squad, who started the scoring. Dick Maudlin, a surprise starter at right halfback, slashed 15 yards on the first play, and after one other running play went awry, Sanders took a pitchout from Norm Van Brocklin, swept around end, and charged 45 yards to paydirt. Burly Steve Dotur, left tackle, cleared the last defenseman from the path with a bone-jarring block, and the North Bend blaster romped over the goal line, for the first touchdown. Van Brocklin booted the extra point, and the score was 7-0.

### Greens Threaten

The Greens got fired up at this point, however, and started a march that ended only two yards from the enemy end zone. But after a series of short passes and line bucks that picked up steady yardage, the White forward wall stiffened and stopped the momentum of the Green machine. Little Joe Tom, slight Hawaiian quarterback, pitched a short pass into the right flat to Fullback Bud Boqua, who bulled his way down to the 16-yard line, gaining 18 yards on the play. The hefty fullback smashed off left tackle on the next play and drove to the six.

Then Keith DeCourcey, who exhibited fine, snake-hipped running all afternoon, Johnny McKay, and DeCourcey again tried to penetrate

the stone wall thrown up by the Whites, but lost the ball on downs on the two-yard line, to end the Green threat until the third period.

### Sudden Scoop

The second White touchdown came like a bolt of lightning to the Green defense, which was holding the Whites pretty much in check on the ground, and had all but stifled the highly-touted passing arm of Van Brocklin. The All-Coast quarterback tried seven passes at this point, had connected with only two, and had three hurls intercepted. But, after a series of line plays brought the Whites down to the Green 25-yard line, where the advance was halted by the determined opposition, Van Brocklin faded back and unleashed a 25-yard aerial to left end Dan Garza, the second member of last fall's successful Van-to-Dan pass combination, who snagged the pigskin just as he fell into the end zone.

Van Brocklin again booted the

extra point, and the score was 14-0 for the Whites at halftime.

### Greens Cross

The Green squad finally saw a scoring threat materialize in the third quarter after they received the kick-off, and start moving the ball up the field in a series of short passes and end runs. Continually plugging away, the Greens drove to the enemy 32-yard line. And on the next play John McKay darted through a hole in the center of the line, twisted over toward the left sidelines, and then scooting like the rabbit in the greyhound races, changed direction again, cut towards the center, and scurried across the goal line. Chet Daniels, rugged little guard, attempted the conversion kick, but the try failed.

### White Comeback

It wasn't long before the Whites were back in the game, however. Just a few plays after receiving the kick-off, hard-hitting George Bell took the ball on a hand-off from Van Brocklin on his own 32-yard line, raced across the left side of the line, and threaded a path through the secondary behind airtight blocking, to gallop 68 yards to the last White touchdown. This time the try for point was unsuccessful, and the score stood 20 to 6 for the Whites.

But then a new passing combination was unveiled, and before the new duo had stopped their antics the Green team had scored its second touchdown of the game. The

combination was Joe Tom to right end Dick Wilkins, the uncanny, sticky-fingered receiver. Two successive passes to Wilkins brought the ball to the midfield stripe. Then Johnny McKay ripped off 15 yards, and Wilkins snagged another aerial for 10, to put the ball on the 25. Bud Boqua crunched through to the ball to the midfield stripe. Then
