

# City Prepares To Honor Gretchen

Gretchen Fraser, Olympic ski champion, will enter Eugene May 21 to be a guest of honor at several city banquets, the Mortar Board ball, an Oregon ski club dinner, a football game and other events during the weekend.

The winner in women's slalom racing will make her first appearance on the campus at the ball Friday night. After an official tour of the city Saturday morning, she will lunch at the Delta Delta Delta house, be honorary referee at a football game on Hayward field that afternoon, and be feted at a smorgasbord dinner given by the Oregon ski club that evening.

Also present for the weekend will be Jack Meissner, Oregon

cross country skier, and Gene Gillis, previous Olympic competitor. Meissner will be honorary guest at an Obsidian chief's breakfast Saturday.

The film "1948 Winter Olympics" will be shown for the first time on the west coast at Roosevelt junior high school Saturday. In color, the Hans Thorner movies taken in St. Moritz, Switzerland, will have two showings, at 7 and 9. Student tickets are 75 cents. Mrs. Fraser will make a personal appearance.

Other scheduled appearances will be at a forum luncheon by the Eugene chamber of commerce, a McKenzie river boat trip, and an Obsidian spring banquet on Friday. Saturday the skier will be hon-

ored at an Obsidian princess breakfast, and Sunday she will be honorary leader of a ski trip to Sunshine shelter. The trip will start with a ride on the McKenzie river. A sign-up sheet will be in Hendershott's for those wishing to join the trip.

## Sunday Recital Set For Music Students

Ten voice students will sing solos and duets at a program Sunday at 4 p.m. in the music school auditorium.

Selections will be taken from opera, late 19th century French and contemporary vocal literature.

**L**ittle Boy Blue  
 Would blow his horn,  
 Go weaving through traffic too fast;  
 'Twas a great mistake  
 To blow and not brake,  
 And Fate upset him at last!

The air turns blue, too, when a reckless Boy Blue turns up in crowded traffic! Other motorists curse him—pedestrians fear him—and no wonder!

Speeding is the prime cause of accidents—it kills 10,000 persons a year. And remember—50 miles an hour may be safe on good roads, on open highways—while 20 can be dangerous in bad weather or heavy traffic. Speeding is driving *too fast for conditions*.

Drive as though your life depended upon it—it does!
