

Spring Practice Ends Today; Plans For Coaches Clinic Set

Coach Jim Aiken sent his Oregon football players through a wet practice session without pads Wednesday afternoon, in the next to last workout of the 30-day spring scrimmage. The squad will practice this afternoon, and then lay off until the big Saturday intrasquad football game on Hayward field at 2 p.m.

Ninety-seven high school football coaches have returned registration slips for the two-day gridiron clinic sponsored by the athletic department, beginning Friday noon. This is twice the number that took in the occasion last year, and more are expected to arrive without previous registration.

The intrasquad game will climax the clinic Saturday, beginning at 2 p.m., with the first and fourth elevens combining to form the Whites, and the second and third squads uniting as the Greens. The coaches will be special guests of the athletic department for this occasion. Students will be admitted on their student body tickets, and the gen-

UW Favored To Take ND Tennis Crown

Washington's Huskies, favorites on the tennis courts all season, are favored by dopesters to take the northern division championship this year.

The Huskies will do this, observers say, this Friday and Saturday at Pullman, in the northern division play-offs.

Oregon's best chance will be for the number three or four spot, these authorities point out. The Beavers from Corvallis are looked at as the best contenders for number two.

Washington State and Oregon will have to fight it out for the number three position in the tournament, with the loser taking the fourth spot, ahead of Idaho, who has yet to win a match.

Jim Brink of Washington will be a big attraction for fans in the Pullman play-offs. Brink has not dropped a match to any one in the division this season, and is not expected to do so. He will play number one singles for the Huskies.

OSC may give Washington trouble, as it did in an earlier match which the Huskies pulled out of the fire with a 4-3 win. Beaver losses have been limited to that one so far this season, and the Aggies have overpowered Oregon twice, 7-0.

eral public can purchase tickets. Prices are 60 cents for adults, and 25 cents for children. Over 8,000 spectators are expected to be on hand for the battle, which will ring down the curtain on the football activities until next fall.

The clinic will begin Friday noon with a luncheon at John Straub for all the visiting mentors. At 1 p.m. movies, "The 1947 Oregon Football Highlights," will be shown. At 2 p.m. the Oregon varsity coaches will take over, starting with line coach Dick Miller, with T formation line play. Then Franz Zazula, backfield coach, will show backfield offensive fundamentals, and Aiken will explain the general T formation offense. Zazula, who was Aiken's chief scout last football season, seeing only one Oregon game, will conclude the day's teaching sessions with a talk on the fundamentals of scouting.

Friday night the coaches will be the guests again of the athletic department at a buffet supper at the Eugene hotel. Jack Shaw, Associated sports announcer, will be the guest speaker. Following the dinner the visitors will be taken to the Oregon-Oregon State baseball game at the Civic stadium, where a special section will be reserved.

Hughes to Speak

Saturday morning the clinic starts again, with Tom Hughes, trainer of the Oregon athletes, showing training methods and problems, at 9 a.m. After the 1947 Oregon-Oregon State movies are shown, defensive line play will be explained by Dick Miller, followed by secondary defensive play by Za-

Cal. Relay Dash Field Rated High

One of the greatest dash fields will compete in the 100-yard event at the California Relays here on Saturday, officials announced today.

In the field will be Mel Patton, who cracked the century record at Fresno last week; Lloyd LaBeach, the Panamanian flash; Barney Ewell, former national champion from Penn State; Herb McKinley, Jamaica sensation; Don Anderson, University of California; Don Smalley, San Jose State; and Bob Heck, College of Pacific.

Every one of these sprinters has been clocked in 9.6 seconds or better.

Officials of the meet announced that they have lined up a special 300-yard dash event, featuring McKinley, Ewell and La Beach, and they believed that one of the trio would crack the old world record of 29.8 seconds.

Another special event has been lined up in a 480-yard shuttle race at the request of Coach Jack Weirshauser of Stanford, who believes he has a team which can crack the world mark.

Officials reported today they also had received assurance from Willie Steele, San Diego State broad jumper, that he would compete; and that Earle Meadows, former national champion, and Guinn Smith, San Francisco Olympic club, would compete in the pole vault.
