

## Westminster Head to Arrive On Saturday

The national director of Westminster student work, Rev. Kenneth Reeves, will arrive in Eugene Saturday on a tour of the one hundred Westminster Foundations from coast to coast.

Mr. Reeves will address the Westminster forum Sunday evening at 6:30. His subject will be announced tomorrow.

Under Mr. Reeves' leadership the Westminster Fellowship program of the Presbyterian church includes a half million young people. In June, 1947, four years after the launching of the program, 1800 delegates and 200 adult advisers met at Grinnell, Iowa for the first national assembly of young people in the history of the church. Ten delegates represented Westminster Fellowship at the World Conference of Christian Youth at Oslo, Norway in July, 1947.

Mr. Reeves is a graduate of Hastings college (Nebraska), and of Auburn Seminary, where he won the Maxwell Fellowship award for study abroad. He spent a year at the London School of Economics, London university, under Professor R. H. Tawney.

Mr. Reeves will be the guest speaker at the Sunday morning service of the Fairmount Presbyterian church at Fifteenth and Villard streets in Eugene.

## Don's Disc Data

**YOU CAN'T BE TRUE DEAR** (Decca 24439) Dick Haymes and Song Spinners vocal. This came from nowhere, and, according to reports, is a "sleeper." Has odd bounce, a word per note of music. The government helped with this one. It must be alien property. You will buy it for the other side.

Tunes to look for:

1. **I'VE GOT A CRUSH ON YOU** (MGM) 101886) Jackie Paris Trio and Paris vocal. It's so different, it should sell. Jackie sounds as though he is choking. For money I would also choke. If you are going to knock it, wait until the third time around.

2. **CONFESS** (Columbia 38174) Buddy Clark and Doris Day vocal, George Sirano orch. A boy, a girl, a spring song with a light turn... a new song team has been found. Interpretation and timing sell this one.

3. **I DON'T STAND A GHOST OF A CHANCE** (Decca 25379) Tony Martin vocal, Vic Young orch. This boy is climbing. His movie, "Casbah," out soon, won't hinder his chances any. Since he makes so few records, add this to your file. Individual as ever.

4. **ROBIN'S NEST** (Col 38136) Claude Thornhill orch. This Illinois jaquet composition does well by Thornhill. Soft warmth, and the ever-present Thornhill piano bordering the theme.

Our coming tune of the week... something unique!

Remember, it's a grave situation if you can't buy your favorite waxing at 1198 Willamette street.

## BA Sophomore Wins Prize

A thesis by W. D. Richards, sophomore in business administration, has won third prize, \$100, in a nation-wide contest sponsored by the National Council of American Importers.

Richards' 5,000-word thesis, "Imports Make World Trade," competed with entries from 21 other colleges, including Harvard, Columbia, Fordham, Northwestern, Stan-

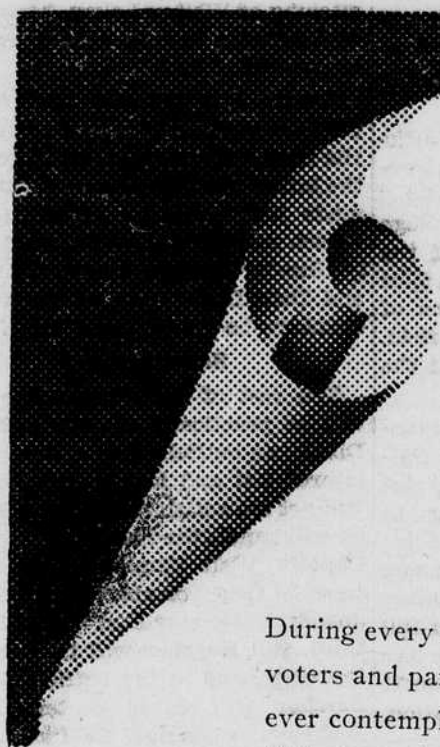

ford, and the University of California.

His summary stated that attempts for world trade lack coordination and are to some extent confused by illogical thinking.

Richards was the only entry from the University. This is the first year of the contest but it will be sponsored annually by the council.

The National Council of American Importers is an organization of about six hundred American firms directly concerned with the business of import.

Purpose of the student awards for the best theses is to encourage a better understanding of two-way world trade.

## 'A Concrete Workable Platform'

## Check for Yourself

During every election campaign candidates and parties are noted for promising voters and particularly students, a long detailed platform of promises without ever contemplating any forward action for the adoption of their party planks. This is not the case with the Affiliated Students Association or their candidates.

Before the last election ASA candidates pledged their support to a five plank platform. The points were:

1. A Bill Hayward WEEKEND!!!
2. Support of the Student Union Drive.
3. Centralization of all campus drives.
4. Formation of a Mill Race Committee
5. Emphasis and Support of Athletic Public Relations...

## RESULTS ACCOMPLISHED

1. "BILL HAYWARD DAY PROCLAIMED" by Governor Hall; Oregonian Nov. 23; Oregon Daily Emerald, Nov. 22.
2. ALL IN ONE CAMPAIGN TO BEGIN; Oregon Daily Emerald, Sept. 29. Red Cross later refused to cooperate, killing united effort of ASA candidates.
3. NO MORE A DREAM. THE ERB MEMORIAL; state board approved student sponsored plan. editorial: Oregon Daily Emerald, Oct. 29.
4. MILLRACE PICTURE BRIGHTENS; WILLIAMSON SPARKS MILLRACE IMPROVEMENT ASSOCIATION... The levy is on the Eugene City Ballot today...
5. Many football players transfer to Oregon. THE OREGONIAN; April 1948

Marv Rasmussen and the other candidates running on the ASA ticket pledge to carry out every plank in the ASA platform. See page one in today's Emerald for this year's ASA platform for both the ASUO and the JUNIOR CLASS...
