## Petitions Due For Campus WSSF Heads

Petitions for chairmanships in the World Student Service fund drive have been called for by general chairman Art Johnson. Petitions will be accepted until next Wednesday evening by Jack Merner at the YMCA or by Lois Greenwood at the YWCA. The drive itself is scheduled for January 10-14.

WSSF is the American fund-raising organization of the World Student Relief. It is the main campus drive and last year was the only drive supported by the ASUO executive council, Johnson said. Its purpose is to raise funds for students in war-stricken areas.

Positions open include campus contact chairman, (2) fund treasurers, promotion, stunts, posters, religious organization, faculty drive, off-campus drive.

The drive here is supported by the student religious council. Donald DuShane, director of student affairs, will serve as adult adviser.

A load of books does not equal one good teacher.

## In the Telephone business ...for 21 years!

"It may seem like a long time to you ... but to me it's just like yesterday that I started.

"Guess that's because it's always been interesting ... always so many phases of the business to learn ... always something different and vital to do.

"Right now I'm one of 125,000 men and women who have been in telephony for 21 years or more. They call us the 'Telephone Pioneers of America.'

"I've seen the telephone industry come a long way—improving methods, developing new means of communications, constantly growing. But in many fields we've hardly scratched the surface; we're still pioneering. The future is full of challenges, and opportunities!"
