Officials Seek Parking Cure For University

No immediate solution is in sight for the University campus parking problem, now aggravated by the forthcoming posting of "no parking" signs on portions of Alder, Patterson, and Hilyard streets, according to University and city officials contacted yesterday.

E. M. Pallett, assistant to the president, said that there is little that the University can do about the situation, since all open areas suitable for parking have been exhausted.

Graveling of the lot behind the Phi Gamma Delta house this summer is credited with helping to ease the problem somewhat.

"Eventually," said Pallett, "all the area between East 11th and the new highway will be parking space. Meanwhile, it seems to me that the best solution is for students living in houses close to the campus to leave their cars at home."

For students living in fraternities and sororities facing on Alder street, this will mean parking their cars on side streets.

Freauff Picked To Head USA

Walter Freauff, junior in political science, was selected president of the United Students association at an open meeting of the organization Tuesday in room 3, Fenton hall.

Freauff, who served as party treasurer during the spring term elections, outlined the principles on which the USA had been founded and pledged himself to achieving its ends.

A slate of candidates was drawn up and presented by a nominations committee headed by Lou Weston, junior in business administration. No further nominations were made from the floor and the slate was accepted unanimously.

Other officers elected were Bill Tassock, vice-president; and Helen Sherman, secretary. The officers and ten committee chairmen will compose a steering committee to direct the party's business.

Committee chairmen include Lou Weston and Mike Mitchell, publicity and promotion; Bob Miller and Clay Myers, platform; Geraldine Hettinger and Hans Wold, membership; Virginia Woods and Art Wallers, nominations; Betty Lagomarsino and Ron Phillips, finance.

Rumor has it that speculation is running high in men's houses as to which lucky bidder will win the Alpha Phi "hashers" at the AWS auction at 4 p.m. today in front of the College Side Inn.

All women's and men's houses were included in the drawing held by auction co-chairmen Marie Lombard and Ann Case. The Alpha Phi sophomore class will be auctioned to wait tables at dinner at a men's living organization and women will bid to have the Phi

Gamma Deltas entertain them at dinner.

Mike Mitchell will preside as chief auctioneer and Dwight Allen will assist him. Besides the human attraction, lost and found articles such as billfolds, pens, textbooks, jackets, and class notes will be offered with the usual "going, going, gone" procedure.

Profits from the annual auction are used for AWS-sponsored projects as the annual scholarship awarded, and AWS weekend.

SDX President Calls Meeting

Members of Sigma Delta Chi will meet Thursday night at 7 in the upstairs room of the Side, according to President Don McNeil.

McNeil stressed the importance of the meetings, the first of the school year. In addition to a roll call of returning members, a fundraising campaign will be discussed by the group and the treasurer's financial report will be submitted.

This initial meeting will plan the activities of SDX for the coming year.

Talent Auditioned For Homecoming

Prospective talent for the Homecoming rallies was reviewed yesterday by the various heads of Homecoming committees. Chuck Corrigan, promotion chairman, was in charge.

The tryouts, held in Gerlinger annex at 4 p.m. yesterday brought out 12 groups, with entertainment ranging from singing to skits. Talent from this meeting will be used at various rallies during Homecoming, Corrigan said.

Homecoming Proceeding According to Schedules

Plans for 1948 Homecoming, November 22-24, are moving ahead on all fronts, according to Al Pietschman, publicity chairman. Finalists for homecoming hostess have been chosen, alumni registration set up, judges for the sign contest are soon to be announced, and the possibility of a cleanup trophy has been brought up.

A five man and one woman group of judges, last night selected six finalists in the annual Homecoming Hostess contest. The elimination was scheduled to reduce the list of twenty-seven girls to five finalists, but the judging was so close that the judges decided to let the student body pick one girl from six that they had unanimously agreed upon.

The girls vying for Homecoming Hostess are Jane Hull, Kappa Kappa Gamma; Ruth Mihnos, Delta Gamma; Norma Duffy, Alpha Chi Omega; Barbara Link, Chi Omega; Virginia Walker, Pi Beta Phi; and Nancy Chamberlin, Kappa Alpha Theta. Their pictures will appear in the co-op later this week and the voting by the student body will be held next week, according to Leslie Tooze, chairman of the selection contest.

An important meeting of all freshman class presidents in the various living organizations is scheduled for 6:45 p. m. Thursday at the Delta Gamma house, in conjunction with Homecoming, according to Bob Don, Homecoming chairman.

Homecoming alumni will register for the "New Look" weekend at tables set up at Hayward field, Johnson hall, the Eugene hotel, and the Osburn hotel, Beverly Buckley, Homecoming registration chairman explained yesterday.

Miss Buckley named a committee of four to help with the distribution of the registration signs. It includes Jacqueline Wren, Caroline Hill, Della Lukins, and Grace Hoffman. The committee will meet today at the Tri Delt house at 4:30.

Execs Approve Living Group Trophy Award

Monday evening the UO executive council gave the go-ahead signal to a plan for donating an annual trophy for the best all-around living organization on the University campus.

According to Donald M. DuShane, director of student affairs, a donor, at present anonymous, has expressed his willingness to sponsor such an award.

It is anticipated that the trophy will be presented some time during spring term, on the basis of campus and community citizenship.

Actual specifications, terms of presentation, and system of points toward the earning of the trophy will be drawn up by a committee to be chosen by DuShane and ASUO President Bob Allen.

Further details will be announced in the near future, DuShane said yesterday.

Season Tickets Now Available

The University theater's business manager, LeJeune Griffith, has asked for student salesmen to aid in the current season ticket sale drive. Season tickets are sold for \$5, and entitled the purchaser to five regular plays and one McArthur court spectacle production.

Advantages of season tickets, as stressed by Mrs. Griffith, include a saving of \$2.40, first choice of choice seats, and the only guarantee of admission to all productions.

Season tickets are transferable and may be used as fast as the purchaser desires. The ticket to the spectacle production, which may be used for that production only, entitles the bearer to the top price seat—\$2.40.

First and second shows of the season, as announced by the department, will be "The Petrified Forest," a lusty drama of tragic love by Robert Sherwood, and Sheridan's classic, "The School for Scandal."

Students who desire to sell season tickets may see Mrs. Griffith in the drama studio.
