

# WORLD HEADLINES

The western powers were reported last night taking the first steps toward a formal proposal to the United Nations security council calling on Russia to lift the Berlin blockade.

They acted shortly after the United States, Britain and France urged the council to help lift the blockade.

Dr. Philip Jessup, the U.S. delegate, declared to the council the firm intention of the United States to resist Russian efforts aimed at compelling the Americans to abandon Berlin to single Soviet rule.

President Truman laid last (Wednesday) night that the Republican unity theme is quackery. He accused GOP candidates of giving the voters "sweet lullabies" because Republicans are ashamed to tell where they stand.

"They have all their promises wrapped up in a package called 'unity' which they guarantee to us" but won't say what's in it, Mr. Truman told a Philadelphia audience in the first major speech of an intensive three-day sprint through the eastern states.

In Albany, N. Y., friends of Gov. Thomas E. Dewey had already made it plain that the GOP presidential candidate will stick to his campaign theme of a united America. They said his foreign policy adviser, John Foster Dulles, had

advised him that such speeches had had a sobering effect on Russia. Dewey will resume his campaigning next Monday.

**New violence marked the CIO oil workers strike against six California oil companies Wednesday.**

Ten police officers were slightly injured when police and pickets clashed near the Standard Oil refinery at Richmond.

Several pickets were clubbed and eight were jailed. The pickets and police fought hand to hand, the police using their clubs and the pickets hurling rocks.

The disorders came when non-striking office employees sought to park their automobiles near the oil plant.

PORTLAND, Oct. 6—(AP)—Oregon has topped all other states of the nation in the percentage of population gain since the 1940 census.

The federal bureau said a survey by the department of commerce gives Oregon a 49.2 per cent increase as of July 1, 1948. The population estimate was 1,626,000.

California has gained 45.2 per cent and has an estimated 10,031,000 people. Washington, No. 3 in the gain ranks, increased its population 43.3 per cent for a total of 2,487,000.

Waycross, Ga., Oct. 6—(AP)—

## 14 in Infirmary Including Nurse

If anyone wants to spend time at the infirmary, he'll have to hurry; the wards are filling up fast. A total of 14 students has been confined. They are Haroldine Fillen, John E. Larson, Patrick Price, Robert G. Mensor, Allan Reibel, Carol Alzner, James L. Myers, Louise Moeser, Paul Patterson, Walter Bealey, Kenneth W. Saxon, Norma Hanson, and Richard D. Snyder. Ione Wasem, nurse at the Health Service, is proof that members of the medical profession are not indestructible. She is occupying Ward 4 to see how the other half lives.

**A B-29 superfortress bomber exploded high over Waycross yesterday, killing eight persons and spreading fragments of bodies and plane over 20 acres.**

Pullman, Wash., Oct. 6—(AP)—Washington State college lost its "Fussers Guide."

The guide is still here but the "fussers" have been gone these many years.

Stanley Rheiner, campus YMCA secretary, said the YMCA directory of students was nicknamed "Fussers' Guide" when it first was published in 1916. "Fussing" was the slang in those days for getting dates, and the list of student names caused a boom in dating.

But this year the YMCA will include the names of faculty members along with students and will rename the book "Campus Directory."

Students gave up the old name without a fuss. They will go right on "fussing" but they have new words for it now.

## YWCA to Hold Open House

Over 80 invitations have been mailed to students from other countries to attend the YWCA open house from 4 to 5 Friday. Amy Lou Ware and Marjorie Peterson, co-chairmen of the international affairs committee, stated.

All foreign students who have not been contacted are asked to attend. The open house will be for all students interested in meeting others from other countries and interested in international affairs to become acquainted, the co-chairmen said.

Hostesses for the event will be all girls who signed up for the international affairs committee when joining the YWCA. Entertainment has been planned and refreshments will be served.
