An appeal for Homecoming housing was issued by housing chairman Anne Case yesterday.

All Eugeneans who have room for homecoming alums over the weekend of October 22-24 are asked to contact Miss Case at the Pi Beta Phi house.

Students wishing housing for their parents or friends for the celebration are asked to (1) try to find housing elsewhere, i. e., hotels and auto courts; or (2) contact the housing committee, which will make every effort to place the visitors in a Eugene home.

An article by Dr. E. M. Baldwin, assistant professor of geology, was published in the May issue of The Bulletin of the American Association of Petroleum. The article is entitled, "Siletz River Volcanic Series, Northwestern Oregon."
