It's here—for 'round the clock wear—CORDUROY. Snappy new styles—priced right—and name your own color. The '49 fashions include misty pastels, natural shades, and bold reds and greens.

Corduroy meets any occasion—in the classroom, on dates, or at football games. Furthermore, corduroy, the perennial favorite of the college students, is washable, and wears and wears and wears. Mix 'em up—switch 'em around. The vest will go with any kind of skirt, any corduroy skirt-sweater combination is hard to beat, and the corduroy jacket can be worn with slacks, skirt, or formal.
