Johnny McKay, Oregon lefthalf who was slightly injured in the Idaho game, continues to lead Jim Aiken's football ground-gainers in the individual rushing statistics compiled by the Athletic News Bureau.

The 170-pound junior carried the ball 21 times against the Vandals to gain 156 yards, a 7.4 average per try. This Idaho yardage boosted his total net to 385 yards in four games. McKay has carried 56 times for the best per-carry average on the squad, 6.9 yards.

BILL BURGHER

Ken Maine and Bob Easter both have higher averages, but have carried the ball only two and four times respectively.

Righthalf George Bell continues to be the most-used back in the Duck model T. Bell had 19 tries against Idaho and gained 99 yards, for a 5.2 average. This brought his total net to 269 yards in four games. In 61 runs Bell has averaged 4.4 yards per try.

Bob Sanders has boomed for 166 yards from his fullback spot, to put him in third place. Sanders has carried 39 times for a 4.2 average.

Alternate Lefthalf Woodley Lewis carried the ball 11 times against Idaho, bringing his total carries to 19 for 105 yards. He has lost 10 yards from scrimmage, so has 95 net for an even 5 yards per-carry average.

These four men represent a backfield ground unit that stacks up with any in the Pacific Coast conference, and with a quarterback like Norm Van Brocklin to call signals and throw passes, what more could a coach ask for?

Of the total 1035 yards the Oregon team has made from rushing, these four backs have 914 to their credit.

As a team, the Ducks have gained 1119 yards rushing and lost 84 for that 1035 net. Coupled with the 415 yards from passing, the Ducks have a total net yardage of 1450, as compared to 835 for their four opponents.

All-Coast End Dan Garza has replaced McKay as the leading Webfoot pass receiver. Garza has grabbed eight passes for 83 yards and one touchdown. McKay has received seven passes for 144 yards.

Bill Burgher, former Oregon baseball catcher under Coach Don Kirsch last spring, is back on the campus after playing for the Salem Senators in W-I competition and catching for the Portland Beavers in the Coast league.

Both Burgher and a former Oregon battery mate, Hal Saltzman, performed for the Beavers in the final weeks of the season. Burgher is still under a Beaver contract, and has returned to school for a degree.

First Basketball Drills Monday

Duck basketball followers will have their first official opportunity to see prospective members of Oregon's 1948-49 basketball team in action next week.

The first practice for Pacific Coast conference member teams is scheduled to begin Monday afternoon. Webfoot basketball hopefuls will take over the maples in McArthur court for their first official workout.
