

Lila Johnston Will Design Greve Trophies

Lila Johnson, graduate student in sculpture, will begin work on the basic design for the Carl Greve trophies this week. Miss Johnston was selected by M. R. Sponenburgh of the sculpture school to design the awards, which will be presented to the outstanding men's and women's living organizations this spring.

Portland jeweler Carl Greve, donor of the trophies, will present Miss Johnston with \$50 for her work. She will complete rough sketches this week and the final sketch will be selected by next Monday.

Men's and women's trophies will be from two to three feet high and identical in form, with the only difference being the detachable name-plate.

"We hope to show the finished cast to the students before the term is over," stated Al Pietschman, Greve's representative on campus, yesterday.

The student committee appointed to work out a point system for awarding the trophies is still receiving information from other schools and organizations.

However, said Pietschman, "it is imperative that living organizations know that they will be judged on this year's actions, such as scholarship, service, and general good citizenship."

Penny, Bill 'Betty', 'Joe'

Penny Singleton of Gerlinger hall was chosen "Betty Coed" of 1948-49 at the Sophomore Whiskerino last Saturday night with Bill Gaffney, Pi Kappa Phi, as her "Joe College."

The two "typical college students" were selected by voting at the dance, ballots were attached to each ticket.

At intermission three sophomore men competed for the "longest beard" award—which included a shave in a barber chair on the orchestra platform by campus barber Charlie Elliot. Henry Chaney took the award by grace of his well-developed shrubbery. The other contestants slunk away vanquished, though the contest was close, after being thanked by the class of '51 President Herb Nill.

Intermission entertainment included the Pi Phi trio—Roberta Tussing, Ann Gillenwaters, and Divida Riddell—a piano solo by Steve Holeman, a trio composed of Nan Gaveney, Leslie Tooze and Steve Button, and a comedy routine by Button and Bobby Chambers.

Against Playoff

SEATTLE, Nov. 16 — (AP) — H. P. Everest, University of Washington faculty representative, said yesterday it was his personal opinion that a playoff between Oregon and California to determine the Coast's Rose Bowl entry should not be staged.

"It would be a dangerous precedent to encourage such post-season games for Pacific Coast Conference elevens to play off such possible tie situations," he said.

Fall Term Finals Begin on Schedule

Contrary to rumor currently making the rounds of the campus, this year's fall term finals will be held exactly on schedule beginning December 13, E. M. Pallett, assistant to the president, stated yesterday.

Confusion evidently arose from the fact that 1949 fall finals will be delayed somewhat in order to comply with Veteran's Administration regulations. Because veterans are allowed not more than 15 days' vacation if they are to receive their allowance, next year's finals will end on Tuesday, December 20.

USA Meeting Set Thursday for Vote

The United Students Association will hold an open meeting 4 o'clock in room 3 Fenton.

The purpose of the meeting is to discuss the party constitution and by-laws which were drawn up by the party's 10-man steering committee.

Corrections and additions will be accepted from the members present and a vote of acceptance of the documents will be called for.

Friday Last Day For Oregana Pics

Kennell-Ellis photographers will complete individual pictures for the Oregana Wednesday, Thursday, and Friday.

This includes photographs of off-campus students who belong to clubs and honoraries, seniors, and members of living organizations who have not had them taken yet.
