

Intramural Injury Program Now Offered Subs Spark Practice As Webfoots Prepare For Weekend Series

Protection against injuries received in any intramural sports action is the aim of a new plan originated by Saal Lesser of the Interfraternity council.

The plan, known as the Aid Fund for Intramural Sports Injuries, has as its purpose to provide financial aid to men injured while actively participating in the intramural sports program. Only members of the participating organizations subscribing to the plan shall be eligible for the aid.

Each organization desiring such coverage will be assessed a fee of \$3.00 per a term for the protection. Lesser urged that mens' living organizations pay this fee to the Office of Student Affairs as soon as possible, as coverage against injuries will not start until this is paid.

The complete provisions of the plan are as follows:

(1) Each participating organization shall be assessed three (\$3.00)

dollars at the beginning of each term until a balance of three hundred dollars (\$300.00) is reached.

(2) This balance shall be maintained by assessing each participating organization, equally, an amount necessary to restore the three hundred dollar level.

(3) Collections shall be made from managers of intramural sports in each organization by the office of the Director of Student Affairs. The aid fund will be held by this office.

(4) Claims for injuries will be submitted to a committee composed of one representative from each of the following organizations:

- Interfraternity Council.
- Men's Halls
- Intramural Office
- University Health Service
- Office of Student Affairs

This body will decide all claims.

(5) Under no conditions will monetary aid be granted in excess of

two hundred (\$200.00) dollars. The first ten dollars (\$10.00) will be borne by the claimant.

(6) No claims shall be considered valid unless an attempt has first been made to secure all possible assistance from the University Health Service before seeking the aid of outside sources.

(7) Organizations desiring to participate in this plan at a future date shall pay \$3.00 (three dollars) a term for three terms and shall subsequently be assessed at a rate equal to the other participating organizations.

(8) Any organization wishing to withdraw from the plan must give one month's notice.

(9) All claims must be submitted to the Office of Student Affairs within two weeks after the claimant's first release from physician's care.

(10) Protection will begin for the organization only after the first three dollars have been paid.

Little Ducks Work Out Against Junction City

By Dave Taylor

Coach Don Kirsch added the finishing touches to his Frosh hoopsters yesterday as he prepared them for Friday and Saturday battles with Oregon Vocational School and Eugene High respectively.

A rough scrimmage game with Junction City High school was the order of the day which the Yearlings won with a last quarter barrage of baskets 54-39.

5 Coaches Still In Running for Nebraska Job

LINCOLN, Neb., (AP)—At least five coaches, including assistant football coach Forrest Evashevski of Michigan State and Coach W. C. Eubank of Washington university, St. Louis, are among those under consideration to fill the University of Nebraska head football coaching spot. Athletic Director George (Potsy) Clark said yesterday.

Clark mentioned the names after scratching Jim Aiken, head coach at the University of Oregon, from his list. Aiken said yesterday he would remain at Oregon.

Others mentioned by Potsy were Volney Ashford of Missouri Valley college; Ivan Williamson of Lafayette college; and Paul Brown of the pro Cleveland Browns.

Eubank was here Tuesday night with the Washington basketball team and met with several members of the University athletic board to talk over the Nebraska situation.

Williamson was here several weeks ago for an interview.

Ashford, Clark said, has been delayed in a visit here, first when one of his players was injured in a Florida bowl game and then again by the death of his father.

"They come here to look us over and to let us look them over," Clark said of the past and coming visits.

Junction Ahead

Although the score ended rather lopsided, the Junction City squad was leading 36-34 at the close of the third canto. At this point the Junction team switched to a man-to-man defense, and successive field goals by Bill Clausen, Ken Hunt and Bill Carr put the Ducklings in command.

Ken Hunt, fast developing set-shot artist from Marshfield, spearheaded the Frosh offense with 16 points. Southpaw Bill Korpela pushed through 10 to annex the runner-up spot in this department.

Starting Lineup

Kirsch's starting lineup was Korpela and Bob Kittilson, guards; Hunt and Carr, forwards; and Jim Vranizan at center. Although he substituted freely, it was obvious that these men will be relied on for the heavy chores in the future.

During the scrimmage, the Kirschmen exhibited a greatly improved attack. Their passing and ball handling was excellent, while the shooting of Hunt was nothing short of sensational.

Defense Slack

However, defensively the Ducklings showed a tendency to be faked out of position on several occasions, particularly in the strategic areas to the left and right of the keyhole. Kirsch pointed this out at the beginning of the fourth quarter and stout defense work by Korpela, Carr, and Kittilson held the preppers to a mere three counters in this quarter.

UO Skier Ties for First at Mt. Hood

In the Portland Day Trail Race at Mt. Hood last Sunday, John Carson of the Oregon Ski club tied for first in the class C division. Other Webfoots entered in the downhill chase were Jack Meyers, Matt Vranizan, and Ed Cunningham.

In the women's division, Greta Gulick of the University placed fourth.

'Lippy' Draws Another Fine

CINCINNATI, (AP) — Baseball Commissioner A. B. Chandler hung fines on Leo Durocher, Freddie Fitzsimmons and the New York National league club today for violating the tampering rule and warned that more severe penalties will be inflicted if anyone does it again.

Durocher, manager of the Giants, and Fitzsimmons, last year a Boston Braves' coach, were fined \$500 each for negotiating a 1949 contract while Freddie still was employed by the Beantown club. Fitzsimmons also was suspended from March 1 to April 1.

The New York club was fined \$2,000.

"Clubs and their personnel are warned that future violations of the tampering rule will be accompanied by more severe penalties than those imposed in this instance," Chandler said in his finding.

Two Connecticut Students to be Expelled for Cage Gambling

STORRS, Conn. — (AP)—President A. N. Jorgensen said yesterday that two students, arrested with five New London men in connection with the alleged operation of a basketball gambling pool on the University of Connecticut campus, "will be expelled."

As all seven made court appearances in two widely separated towns, Dr. Jorgensen asserted that "one of the University's strictest rules" prohibits gaming "in any form" and added that "violators are subject to instant dismissal."

Neither the basketball team nor the student body at large were involved—"just two boys who unfortunately got roped into something," he declared.

The two, Theodore Hendel, 21, and Emanuel Gottesdiener, 21, both of New London, were arrested shortly before midnight Tuesday after state police followed them about the campus for several hours.

State police commissioner Edward J. Hickey said a cardboard carton they were carrying contained 3,000 basketball "prediction type" lottery tickets.

Chocolate Factory in Portland mfg. unusually fine type fancy boxed Chocolates wants reliable Student of University of Oregon to sell candies to fellow students. Valentine Mother's Day and Easter. Considerable earnings. Ref. required. Apply in writing.

13 Man Vandal Team Heads for Eugene Tonight

MOSCOW, Idaho, (AP)—A hustling crew of Idaho basketball players will board a train tonight for the annual swing through Oregon.

Coach "Cheerful Chuck" Finley said today he will take a squad of 13 players for the games at Eugene and Corvallis with the University of Oregon and Oregon State.

The Vandals play at Eugene Jan. 14 and 15 and move to Corvallis for a pair Jan. 17 and 18.

Even though his team clipped the Webfoots in one game at Moscow, and lost the other by only two points, Finley was not hopeful about the outcome of the four games. His squad is in top condition.

Idaho is currently in a three way tie for second place in the Northern Division race along with Washington and OSC.
