## Polio Victims Seek Your Aid; Contribute Generously

Campus March-of-Dimes campaign began last night with a "Kick-Off" dance sponsored by Alpha Phi Omega and the Young Democrats.

Drive Chairman Byran Graves at the same time released a list of committee heads working on the 1949 drive. Working as assistant chairman is Helen Sherman; house representatives committee, Rosemary Beatty and Fred Mohr; col-

lection, Joan Mimnaugh; dance, Bob Davis; promotion, Bill Plummer and Cork Mobley; Emerald ads, Bill Lemmon; flying speeches, Leslie Tooze and Cork Miller; radio spots; Jim Goode; posters, Ann Darby; stunts, Bill Moore; and publicity, Bob Funk.

Radio announcements of the drive have already been made on the "Bob and Mimi" show on KASH, and also on KUGN. Posters

will be placed in all living organizations and campus buildings.

Stressing the need for making the 1949 drive a success, Helen Sherman stated that "last year was the worst year since 1916 as far as the number of polio cases is concerned. 25,000 cases were reported, which is one of the worst epidemics of its kind in medical history."

Miss Sherman also gave three points for student consideration—the increase of polio patients, the

high cost of care, and the fact that the dollar does not go as far as it once did.

"The 1948 drive was the most successful we have ever had. However, previous drives this year have met with little luck. We hope that this drive will be a success."

Sponsors of the drive are the members of Alpha Phi Omega, national service fraternity. Virgil Tucker, president of the fraternity, is coordinating the project.

### Tonight's Formal Ball In McArthur Court Features 49er Theme

Wally Heider and his orchestra will play for a Forty-niner bedecked Senior Ball beginning at 9 p. m. tonight at McArthur court.

Sponsored by the senior class, the all-campus dance is traditionally formal. Tickets will be on sale at the dance for \$2.40. Ticket Chairman Janet Beigal said yesterday.

Since dancing capacity is stipulated by fire regulations, a limited number of tickets will be sold.

#### Dance Decorations

Decorations for the dance have been designed by Hans Wold, vice-president of the senior class. They contrast conditions and events of the gold-rush days with present life on the campus. Mike Madden, who has charge of programs, announced that they will carry out the same theme.

They have been featured at the Terrace room of the Fairmont hotel.

Patty Pritchard, vocalist with the band, has sung with Ted Weems and Raymond Scott. The band also features first trumpet Andy Peele, who has just returned to the coast from New York.

Arrangements are a specialty of the musicians, seven of them being arrangers.

## Gitner, Hillard Advocate Four Point Plank

Through a truly representative elected freshman board, acting as an advisory body, advocates of the AGS freshman candidates, Bob Gitner and Shirley Hillard, yesterday stated that they would support:

Active participation of all freshmen.

Gigantic frosh picnics and mixers.

Successful frosh class meetings. "This representative group would be selected from all parties and organizations," Gitner stated when interviewed after yesterday's meeting. "It will plan the meetings, social functions, and varied activities for the freshman class, to give interested live-wire freshman a chance to break into activities, beginning right at home in their class functions."

#### Qualifications

In nominating Gitner, Bob Chambers, freshman liberal arts, listed his candidate's qualifications yesterday.

"In high school, Bob served as vice president and secretary of the boys' student organization. He was a member of the board of control and president of the boys' service group; he lettered in basketball, football, and track.

"In one term at the University, he has piled up a fine record of activities, serving on committees for the Homecoming bonfire, dance entertainment, and minstrel show; the WSSF drive, and is now serving as a member of the promotion committee for Dads' Day. Those who know him well respect him: he is vice president of his pledge class.

#### Student Government

"The trend here at Oregon is toward student government. Bob plans to have well-organized freshman meetings, which have been infrequent in the past, and organize a freshman representative government.

"Among Bob's own suggestions have been a freshman spring picnic, freshman mixers, and tradition

JOHN CHANEY, left, and his running mate, Virginia Wright represent the USA party in the forthcoming freshman elections.

BOB GITNER, left, and Shirley Hillard will run on the AGS ticket in next week's freshman elections.

## Chaney, Wright Call for Strong Frosh Program

Departure from the "one-sided philosophy of student government now practiced" was the principal plank in USA's frosh election platform as presented in the nominating assembly yesterday.

John Chaney, Nestor Hall, was nominated for USA's first-position candidacy by Bob Funk, Virginia Wright, second-place candidate, was nominated by Rosemary Beatty.

In a three-point platform, United Students Association speakers advocated first the establishment of a freshman council, which would consist of elected members from all living organizations. Secondly, USA proposed a class picnic to be given sometime during spring term. As the final point, freshman speakers outlined a plan for fund-raising mixers to be given on open weekends.

#### Qualifications

Nominee Chaney, a graduate of Roosevelt High School in Portland, is a member of the frosh basketball squad and also maintains a grade-point average in excess of three-point. At high school, Chaney was a two-year letterman in both baseball and basketball. He was president of the Letterman's Club, Hi-Y, Torch-Y, Optimists Club, and Chairman of the dance committee. For two years he was a member of the honor society.

Miss Wright, who comes from Grant Hi in Portland, lists the Girls' League presidency at the head of her activity list. She was Senior Girls' vice-president, junior YWCA vice-president, and active in various other school organizations.

#### Many Activities

At Oregon, Miss Wright is treasurer of the YWCA freshman commission, a member of the Oregon business staff, an active Wesley house member, UO symposium team affiliate, and has served in cooperation with Kwama and Phi Theta. Her GPA is at present 3.86.
