With the student union virtually on their front doorsteps, girls from University house will move out of their present home on March 21 and 22. Two houses previously moved from the student union site will be the new homes the girls organization.

The moving date originally scheduled for the week of February 21 was pushed back at the request of the girls, Irwin I. Wright, superintendent of the physical plant said.

Mr. Wright added that the new houses, located at 1675 and 1685 Agate street, were almost ready for occupancy with but a few days work needed to have them completed.

Williams Returns

Dick Williams, director of Oregon's student union, returned this week from a four-week tour of eastern and midwestern college in which he made a study of student union buildings in order to get new ideas and avoid mistakes in the Erb memorial.

Students Ready For Red Cross Fund Drive

Groundwork was laid for the Oregon Red Cross drive yesterday when representatives of campus living organizations heard brief talks by the president of the Lane county chapter, and chairman of the county drive at 4 p.m. in 105 Commerce.

Students who did not attend the meeting are reminded to pick up their material tomorrow at the Kappa Alpha Theta house from 9 to 11 a.m. and 1 to 3 p.m. Donna Mary Brennan, chairman of collections, will distribute it. The drive

starts next week. Rev. Hugh McCallum, president of the Lane county Red Cross chapter, pointed out that \$4000 of Red Cross money was used to benefit students attending the University last year. However, \$2,778.25 was raised from last year's campus drive.

This indicates clearly that we are "getting more than we are giving," said Rev. McCallum. Aside from these sums, \$6000 was used for student loans, he added.

"Our Way of Life" was discussed by Blair Alderman, chairman of the Lane county drive. He emphasized that the American Red Cross drive furthers a "good neighbor attitude" and cooperation among citizens.

Both speakers were introduced by Sally Waller, chairman of the University drive.
