Cash Available On Long Terms

"Any person who knows of someone who has had to leave school because of financial difficulties is invited to tell him of the Student Affairs loan program," Vergil S. Fogdall, loan director, announced yesterday. Loans to students are of two va-

rieties: short and long term. The short term loans are for a period of two months, and the long term of two main classes: aid until the summer vacation, when the student can repay it from his earnings; and aid until graduation for juniors or seniors.

Women students who wish to apply for loans should contact Women's Affairs Director Golda P. Wickham. Men should see Fogdall.

Students Reminded Of Old Regulations

In a reminder to the student body yesterday the Office of Student Affairs repeated the following rules:

"No student may hold office whose scholastic average was either below a 2.00 last term or a 2.00 accumulative."

In regard to off-campus housing:

"Rooms in private homes are considered to be rented for an entire term unless otherwise arranged in writing."

VA Explains Missing Checks

Absence of many subsistence checks from yesterday's mail was attributed to failure by veterans to report changes of address to the Veterans Administration. Thousands of veterans failed to receive checks last month because of this neglect, a V.A. report indicated.

Since the post office department cannot deliver a government check to an address not occupied by the payee, many checks are returned to the treasury department disbursing offices. They in turn forward the check to the VA who holds the check until the veteran reports.

Because of the long delay involved in returning checks to "missing" veterans, the VA urged that all changes of address be reported promptly.

How Modern can Jazz get?

Listen to Skitch Henderson's latest waxing of "CRAZY RHYTHM" - a Capitol Recording ...and you'll know the answer!

One of the hottest of the oldies, "Crazy Rhythm", comes back with a sock, the way Skitch and his band revive it! Skitch Henderson is great at putting a smooth-modern touch on an old favorite. And when it comes to cigarettes, Skitch has another long-time favorite - Camels! Here's how Skitch plays it: "Camels are mild and full flavored. I've smoked Camels for years."

How Mild can a cigarette be?

SMOKE CAMELS FOR 30 DAYS
-and you'll know!

In a recent coast-to-coast test of hundreds of men and women who smoked only Camels for 30 days - an average of one to two packs a day - noted throat specialists, after making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION

due to smoking

CAMELS

HOW MILD CAN A CIGARETTE BE? WELL, SKITCH, THE CAMEL 30-DAY TEST CONVINCED ME THAT CAMELS ARE THE MILDEST CIGARETTE I'VE EVER SMOKED!

I'VE KNOWN THAT FOR YEARS, NANCY! AND I GO FOR CAMEL'S FULL, RICH FLAVOR, TOO!

It's real harmony when Skitch Henderson and lovely Nancy Reed, his featured vocalist, get together and sing the praises of Camel mildness.

Money-Back Guarantee!

Try Camels and test them as you smoke them. If, at any time, you are not convinced that Camels are the mildest cigarette you've ever smoked, return the package with the unused Camels and we will refund its full purchase price, plus postage.
