Friends Grants Available Now

Ample funds are available for scholarships to the International Service Seminars sponsored by the American Friends Service Committee, according to foreign student adviser J. D. Kline.

Foreign and American students may apply for these cooperative living groups, each lasting seven weeks. Ten seminars will be held, including one at Lewis and Clark College, Portland, and one at Lake Tahoe, California. Thirty to 35 students will participate in each seminar.

Work camps and community service units will also be held this summer. For further information, contact Kline in his Emerald hall office.

We use the POLARIZED PROCESS for Fur Care. Your furs are gently but thoroughly cleaned; all moth larvae is destroyed and the original soft, fluff-luster is restored. Our refrigerated storage vault, right in our own building, gives you the positive protection your furs should have.

Bums Swap Rackley

CHICAGO, May 17—(AP)—The Brooklyn Dodgers last night traded outfielder Marv Rackley to the Pittsburgh Pirates for outfielder-first baseman Johnny Hopp and cash estimated at \$25,000.

'Mysties' Sale Begins Today

Mysties, a break-away from the traditional Twistie, will go on sale today by members of the Phi Theta Upsilon Mystie sales committee. "It's fun to eat a Mystie," according to members of the committee, who insist that the delicacies identity shall not be revealed until sales begin at 8:45.

The non-nutritional "food" can be eaten at any time during the day, again according to committee members who are evidently sold on the Mystie. In fact Co-chairman Georgie Oberteuffer and Betty Simpson encourage each student to buy more than one during the two-day sale.

bargain: basement library and workroom for me, a refuge all my own. I was thrilled because I have never had a room to myself in my life.

"Blue, green and dark red!" I said positively. "Be sure it's a dark red."

The other day Frances came home and showed me the fabric samples. The draperies were to be a deep sea green drowned in a heavy rust brown. The easy chair—a cerise brighter than a baby left too long in a July sun. The couch—brown, brown, brown, brown all over.

"How can you do this to me?" I murmured.

"You'll love it, Rover boy," said Frances. "I even have a name for the room now. You can call it your brown study."

So I will. I have to live with brown now until me or the furniture wears out. We are life-deep in brown.

And I learned something my mother-in-law never told me:

"A man convinced against his will can do but one thing—that's keep still."

'Patterns of Culture' Subject For Browsing Room Lecture

Dr. H. G. Barnett, professor of anthropology, will lecture on Benedict's "Patterns of Culture" tonight at 7:30 in the Browsing room of the library. The ensuing discussion will be led by Dr. J. M. Fosskett, associate professor of sociology.

Dr. Barnett, rather than giving a book review, will analyze the theoretical implications and assumptions the author makes in treating different cultures. He will also give a brief evaluation of the book as others have judged it.

During 1947 and 1948, Dr. Barnett spent a period of time in the Palau Islands in order to make a study of the attitudes and customs of the inhabitants, and especially of the change wrought in their at-

titudes and daily pattern of life after their contact with the Japanese.

The lecture-forum series, sponsored by the Association of Patrons and Friends of the University of Oregon library under the auspices of the General Extension division, is limited to students of the University and members of the association.

Freshman Women Invited to Picnic

All freshman women, whether of the YWCA or not, are invited to this afternoon's sophomore commission picnic at Tau Meadows, according to co-chairman Kay Kuckenberg and Joan Skordahl.

Transportation will be furnished from the Y at 4 p. m. A 25 cent charge, payable to house representatives or at the Y, will cover ex-

Saturday Last Day for Petitions

Petitions for sub-chairmanships on the Mortar Board ball will be accepted until Saturday noon. They may be submitted to Laura Olson at the Tri-Delt house or to any other member of Mortar Board.

The sub-chairmanships are open to all freshman and sophomore women, according to Miss Olson. This year members of the senior women's honorary are heading the committees themselves, but they will select some freshmen and sophomores to aid them. Positions are open on decorations, and clean-up committees.

The annual dance, to which the girls take the men, will be held June 4 at McArthur court.
