

Groups to Hold Joint Picnic

The French club (Les Thelemities), the German club (Deutsches Gesellschaft) and the Russian Arts club are sponsoring a joint picnic on Sunday, May 22. The picnic will be held at the Playground, on Fall Creek, 10 miles east of Eugene.

All persons in the foreign language department, students and faculty, are invited to this picnic, regardless of whether or not they are members of the clubs.

Fifty cents is being charged to cover the cost of refreshments for the group.

Students will visit various language classes on Wednesday and Friday to sign up interested persons for the picnic and collect the refreshment money. Students who do not sign up then may do so by contacting Professors Picard, Ottenbacher, Scott, or Strash.

Those attending the picnic may either drive directly to the site on Sunday afternoon, or come to the rear of Friendly Hall if they need transportation.

Progressives Plan Forum and Films

Featuring a student forum on life and politics around the world, the Young Progressives will hold a meeting at 7:30 tonight at the YMCA. Two films, "Pattern for Peace" and "King of Sports," will be shown.

Speaking will be George F. Boyd, John Martin, Quintin C. Martinez, and Shynn Daw Shaw on life and politics in the U. S., England and Palestine, the Phillipines, and China.

The meeting is open to everyone and refreshments will be served according to a spokesman for the group.

Woman Journalist

(Continued from page one)

Three high school girls outstanding in journalistic activity will also be honored this evening. They are Kathryn Ann Heidenreich, St. Mary's high school; Kitty Lou Shaw, University high school; and Mary Ellen Burrell, Eugene high school.

New members for the national professional fraternity for women in journalism will be tapped this evening, according to June Goetze, president.

All those receiving invitations are asked to phone their reply to the journalism school by noon today.

Heavy Rains Bring Flood

The Clear Fork of the Trinity river flooded residential sections of Fort Worth, Texas, after over 12 inches of rain drenched the area. Three persons were drowned and three more are missing. (AP Wire-photo)
