

YW Director to Attend Conference

Lois Greenwood, executive director of the University YWCA will leave Sunday for Europe as one of six delegates from the United States National YWCA to attend a world leadership meeting in Switzerland July 9 through September 5. Sponsored by the World YWCA, the leadership institute will be held at La Chaleigneriae, a school locat-

in England she thinks she will either fly or sail to the continent, stopping in France and Holland.

She hopes to spend a few days visiting a Dutch family she met during a trip in 1937 and has been corresponding with recently.

Official Languages

Official languages at the conclave will be French, English, and Ger-

nomics at the University.

While attending the University she served as president of Mortar Board, senior women's honorary, and was active in the campus YWCA.

Degree from Columbia

She took a master's degree in religious education from Columbia University in 1939, and traveled for the National Episcopal Church for one and one-half years after receiving her degree. Immediately after graduation she worked in the field of business.

"I entered YWCA work by the back door," said Miss Greenwood. The YWCA asked her if she would be interested in work with the Chicago organization, and she accepted the position. This is the end of her fifth year with the campus YWCA.

Not First Trip

This is not the first trip to Europe for the Y worker. She and a friend traveled around the world in 1937. They sailed west from San Francisco, visiting Japan, China, Philippines, Malaya, Arabia, Egypt, and Europe.

The campus Y executive said she will be back here next year, but has no definite future plans after that time.

Phi Beta Slates Final Meeting

The final meeting of the Phi Beta, national music and speech honorary, will be held Thursday, June 2, at the Alpha Chi Omega house, 6:30 p. m.

Miss Florence Vanderwicken, vocal instructor, will be guest speaker. There will be a short business meeting after which refreshments will be served.

All alumnae are invited.

Sports Sketch

(Continued from page four)

Hutchins, who served one year with the Canadian navy, won the Canadian national half mile crown in 1946, and repeated in 1948. During last summer's Olympic games in London, he placed fourth in both the 800 and 1500. His fastest half mile was turned in that day, by the speedy Canadian was clocked at 1:52.6.

Hutch's only comment on the Olympics was that it was "slightly less than terrific," and that they went over much better than the English had hoped for in the face of rationing and other post war difficulties.

The Canadian champion, com-

peting against OSC in his only appearance with the frosh this season, clicked off a 4:21.3 mile to take first. He failed to run for the remainder of the season due to a pulled leg muscle received in an early practice session.

The 145-pounder chose Oregon over Washington because he preferred Oregon's smaller size, and also because of the reputation of Coach Bill Bowerman.

In an unofficial back-scratching ceremony, Hutchins said that Bowerman has far surpassed the bounds of his reputation by being both "a good coach and a good guy."

Early this spring Coach Bowerman commented that Hutchins, who already holds the school record for the practice 660, was capable of shattering every existing Oregon mark in his special events.

LOIS GREENWOOD

ed in Founex, Switzerland. Attending will be delegates, probably not exceeding 50 in number, from national YWCAs all over the world.

Miss Greenwood applied for appointment as a United States delegate several months ago and just received word that her application had been accepted last week.

Place of YW

Subject matter to be studied at the meeting will concern the present world scene and the place of the YWCA in it. Delegates hope to formulate policies adapting the YWCA, now 100 years old, to the changing world situation.

"We were asked specifically to bring certain kinds of information concerning our local and national Ys in our respective countries," said Miss Greenwood.

Principal speaker for the institute will be Dr. W. A. Visser't Hooft, executive of the World Council of Churches. He has also visited the University during former years. Other prominent men and women leaders in the field of religion and economics will also address the delegates.

To Tour England

Miss Greenwood's plans include a two-weeks tour of England before going to the continent. She will leave here Sunday for New York by airplane.

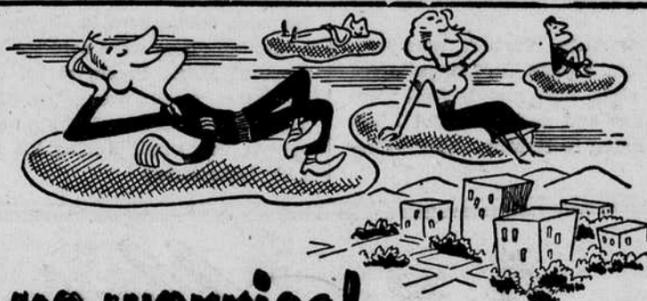

From New York she plans to sail on June 8 aboard the S. S. Marine Tiger, one of several student ships operated by United States lines, for England. The Marine Tiger is a reconverted troop transport and one must be able to prove they are going to Europe for educational purposes in order to obtain passage.

Three Free Weeks

As to the three weeks of free time she will have before the conference begins, Miss Greenwood said, "I haven't really made definite plans yet." After traveling for two weeks

man. The Oregon delegate hopes to get along on English since she said "I know enough French to say I don't speak French, but that's about all."

Miss Greenwood graduated from the University of Oregon in business administration in 1934. She also took graduate work in eco-

no worries!
