Browsing Room Lectures to Resume

Resumption of a browsing room lectures in the library has been promised by Miss Bernice Rise, head of the circulation department. Miss Rise released a tentative list of topics for the weekly series, to be held Tuesday afternoon at 4 p. m. Such writers as, Aldous Huxley, Mark Twain, and Marcel Proust are among those on the discussion list. Recent science, history, and poetry books will also be on the agenda. The series will be held in the Student Union when it is completed, Miss Rise said.

The writing of poetry, says a publisher, can't be taught. Or fought!

Homecoming Chief Petitions Due

Petitions for general chairman of the 1949 Homecoming celebration are due Thursday at 5 p.m., Student Body President Art Johnson announced yesterday. "This is one of the biggest, and certainly one of the most important chairmanships of the year," Johnson stated. Sophomores, juniors, and seniors are eligible to petition. Only petitions for the general chairmanship are being considered now; a call for subchairmen will be issued later. Applications may be turned in to Lou Weston at the Delta Zeta house.
