

# Student Union Nears Completion

THE ERB MEMORIAL UNION, tentatively slated to open in March, 1950, is beginning to resemble this architect's perspective more closely. Construction is going ahead on schedule, with workmen now completing the brick outside facing. Building equipment is being ordered, and should arrive in time to be installed before Feb. 1. Dan Cooper, professional New York decorator, is in charge of Student Union interior decoration.

He got the best throw of his life on the trip when he threw 234 feet in Stockholm.

Louie White, diminutive colored marathon runner from Boston who was the favorite of the crowd; Gay Bryan, Stanford's workhorse who was the top prize winner of the trip. He entered almost every event with the high jump and the broad jump being his best; Henry Aihari,

all the way. Couch went over for the point to make the final score Kappa Sigma 20, Phi Kappa Sigma 0.

### HUTCH STARS

Theta Chi, with a flashy two platoon system and some smart plays, brought down the quickly organized team from Stan Ray. Hutchinson starred with his good passing and shifty running.

Mockford tallied first in the first quarter on a pass from Hutch. The next score came when Hutchinson ran all the way.

With three minutes to go Hebard caught a pass to up the score another six points and Vannet came through with the conversion. The final score, Theta Chi 20, Stan Ray 0. Lambda Chi Alpha subdued Campbell club after a long, hard battle. With Ruzika and Cook play-

ing defense, Campbell club found it mighty hard to get across the line of scrimmage till the last quarter.
