

# Youngest Coed Makes Her Home at Susan Campbell

By Marjorie Bush

Oregon can boast of having one of the youngest coeds on any college campus. Right in the midst of this bustling collegiate community lives a little lady bubbling over with personality, but still possessing a sure solution to gain her own way. Her name? Kristy Johnson. Her age? A full 4½ months.

Kristy is the daughter of Elaine and Don Johnson, directors of the converted Susan Campbell dormitory. This former coed stronghold now houses 20 married couples. When full, 29 couples will call it home.

### CONFUSION

"Lots of crazy things have happened because of this transformation," Mrs. Johnson said. "Girls have come rushing in to see which room they have or to find old friends. But the most perplexed are the boys. Four boys who came were horrified when they found that Susie now consisted of apartments for married students. Some just rush out when they see Kristy.

People are still coming, Mrs. Johnson said Thursday, and the telephone calls persist.

### THREE-ROOM SUITE

In spite of this, the young people are getting settled and acquainted with their next door neighbors—just across the hall. Each couple has a suite of three rooms, and may also use the recreation and wash rooms in the basement, and the large living room on the first floor.

# Ohio State Grad New Professor

Lt. Col. John H. Cunningham has been named Assistant Professor of Military Science and Tactics on the Oregon campus. He replaces Maj. Harold E. Allen who has been transferred to Tinker Air Force Base in Oklahoma City, Okla.

Colonel Cunningham is a graduate of Ohio State University and was formerly connected with the Office of the Chief of Transportation in Washington, D. C. During the war he served for 29 months in the Persian Gulf command.

# Ticket Shortage Causes Concern

No general admission tickets will be sold for this year's Homecoming game with Oregon State, the Athletic Ticket Office announced Thursday.

The only tickets now available—all of them reserved—for the classic scheduled for Nov. 19 are in the first four rows of the horseshoe, at the north end of Hayward Field.

The ticket office warned that unless enrollment is less than expected, veterans' wives not attending school will have to buy reserved seats.

# Sig Eps Report Missing Life Raft

A rubber life raft belonging to Sigma Phi Epsilon fraternity was stolen last week, reports Jim Snell, house president. The raft was taken soon after being returned to the organization's back-yard summer house by a group from the Northwestern Christian College who had borrowed it.

The raft was a gift to the fraternity by an uncle of one of the members.

Why is it that the things we never get worry us more than the things we lose?

# U. of O. Dads To Hold Meet

Executive committee members and group presidents of the University of Oregon Dads' club will hold their regular fall meeting Saturday noon, Oct. 15, at a luncheon in the Eugene Hotel, reported Karl Onthank, executive director of the organization.

Discussion will mainly concern plans for Dad's Day on Jan. 28 and the group's role in the Student

### Rooters' Lids at Co-op

"Those women's rooters lids that never did make their appearance yesterday at the Co-op are really there today," Rally Board member Beverly Buckley announces.

"Any women's living organization wishing rooters' lids delivered may contact me at the Delta Delta Delta house, phone 5-1233," she concluded.

Price of the lids is \$1.50.

Union. The Dads are raising \$5,000 for the building.

President Harry K. Newburn will discuss the state of the University and plans will be made for raising money for the Donald M. Erb Dad's Scholarships.

Approximately 25 Dads are in-

cluded in the group of local presidents and executive committee members.

Ernest Haycox of Portland is president of the organization. Vice-president is Loy Rowling of Eugene, with Walter Kirk of Salem serving as secretary.

## OFF CAMPUS MEN

Here is your opportunity to participate in your OWN social organization . . . the Yeomen.
