

Campus Drive 'Hits the Top'

"Over the top," was the word of the campus Community Chest Monday, with \$4,224.43 received over the \$4000 goal.

"The students made a good representation and helped to put us across the finish line," Paul R. Washke, chairman, stated.

Total student contributions stood at \$498.68. Two fraternities have still not reported. Rebec and Alpha Delta Pi remained the only 100 per cent houses, while Delta Gamma and Phi Delta Theta led the women's and men's houses respectively in amount of donations.

"With several more returns to come in, we should go considerably over the present amount," Washke said.

Chess Club to Hold Open House Tonite

Open house will be held by the Chess Club tonight at 7:30 in Room 206 Chapman Hall, for players and non-players, students and faculty.

Tournament dates and team selections will be discussed, and several officers will be chosen.

Y Open House Set Thursday

Showing off its "new dress" to interested Eugene townspeople and students, the campus YWCA will hold open house Thursday from 3 to 5 p.m.

Invitations have been sent to alumnae, old board members, faculty members, and other friends, but all friends of the Y are cordially invited.

The purpose of the affair, co-sponsored by the advisory board and the campus cabinet, is to show off the new quarters of the YWCA in Gerlinger Hall. Four rooms—office, lounge, meeting room, and kitchen—were redecorated this summer under the supervision of the advisory house committee and its chairman, Mrs. J. J. McHugh, assisted by the campus house committee, Lillian Schott, chairman.

The move from the old bungalow on Kincaid street, home of the Y for 35 years, was completed late in the summer.

'50 Construction Set for New U. O. Science Building

A study of architects' drawings for the new science building was made at a meeting held Thursday in the office of Irwin I. Wright, superintendent of the physical plant.

"Much preliminary planning and figuring is necessary before final plans can be made," Wright said. The science building, to be located south of the physical plant, is scheduled for construction early in 1950.

The building will house laboratories and classrooms for the chemistry, physics, and biology departments. Architects Lawrence, Wellmann, and Tucker also handled the construction plans for Carson Hall, Erb Memorial Union and the library addition.

Inter-Dorm Council Schedules Meeting

The Inter-Dorm Council will meet at the Side at 7:30 tonight to determine the activity fee for dorm students. Also on the agenda is a discussion on the possibilities of having a picture in the Oregana.

Pre-game Parties Schedule in South

A pre-game party in the Garden Room of the Town House, Los Angeles, is on the agenda for Oct. 31, the date of the USC football game. Ed Crowley, class of '28, will act as host, while Bob Byington '30, president of the Los Angeles Alumni Club will handle arrangements.

On November 11, a pre-game party for Oregon alumni will be held in San Francisco. The California game at Berkeley is scheduled for November 12. Walter Hempy '23 is president of the San Francisco Alumni Club.

'British Pound'-YMCA Opener

Dr. Howard S. Piquet, visiting professor at the University under the Carnegie program, will be the main speaker at the first in a series of Public Forums sponsored by the YMCA on Wednesday, Oct. 12, at 7:30, at the University "Y."

The topic of his speech will be "The Implications of the Devaluations of the British Pound." Piquet is a senior specialist in international economics at the Legislative Reference Service of the Library of Congress, and has served on the U. S. Tariff Commission and the U. S. Food Commission.

He was Deputy Staff Director of the committee which set up the Marshall Plan and has taught international economics and the theory of economics at American University, a graduate school in Washington D. C.

The forum is open to all students, faculty members, and townspeople.

Surprise Shower Rains Fish, Pies

A surprise shower was held Tuesday by the Russian Club for their adviser, Victor C. Strash, who was married Aug. 6.

The food shower resulted in a "supply of chocolate which will last Mrs. Strash for several weeks," a smoked herring, Russian caviar, anchovies, cherry and apple pies, grapes, and apples. "The apples were polished beautifully, but the taste was what was really good," beamed Mr. Strash.

Mrs. Strash, the former Ursula Koch, flew to the United States this summer from Berlin, where she met her husband three years ago. Strash, assistant professor of slavic languages at the University, was then serving with the allied military government. Miss Koch was his secretary.

A sleeping person is said to move every 10 minutes. A snoring one should move once—and stay moved.

It's very likely to be a successful marriage when the wife is a treasure and the husband a treasury.

Foreign-Movie Club Plans To Show Choice Pictures

A foreign movies club making possible the showing of at least 12 first-class foreign pictures during the school year is now being organized for University students and faculty, and Eugene townspeople.

If enough people join the sponsoring club so that a certain attendance is assured, a special rate will be made for members, according to Rene L. Picard, assistant professor of romance languages.

Prices may be reduced for everyone if enough people are interested.

Those who join the club will pledge attendance to six of the movies, although it is hoped that they will attend more. After the organization of the club, the possibility of selling season tickets will be discussed.

The films, which will be shown

at the Mayflower Theater, will include French, Italian, Spanish, German, and English pictures. Jack Baldeck, manager of the Mayflower, said that each film will probably run for two nights Wednesdays and Thursdays.

"Monsieur Vincent," a French film which ran several months in New York and San Francisco, has already been scheduled tentatively for Oct. 25. English subtitles will be flashed on the screen with each of the films.

Picard has suggested that a representative from each campus living organization list those students interested in the program, the first of its kind attempted at the University.

People not on campus who are interested in joining the club should contact Picard by mail, at 211 Friendly Hall, or by telephone, extension 511.

Badminton Clinic Scheduled Tonight

A short clinic on the fundamental principles of badminton for girls will be conducted tonight at 7:45 in the main gym in Gerlinger.

Badminton enthusiasts will have an opportunity to see demonstrations of court tactics; methods of scoring, and fundamental strokes.

Attendance for all girls in badminton classes is compulsory. Anyone participating in intramural games and anyone interested in learning the principles of badminton are invited to attend.

Conducting the clinic will be Miss Murray, Miss Bennett and Miss Harvey, all of the women's Physical Education Department.

Oregana Requests Clubs' Contracts

Clubs and honoraries desiring space in this year's Oregana should bring or mail contracts to the Oregana office this week, before Saturday. The office, in McArthur Court, is open afternoons 3-5.
