

# Two New Men's Counselors Added To Office of Student Affairs Staff

Two additional counselors for men were recently added to the staff of the office of Student Affairs, in order to be of the greatest possible assistance to freshmen and transfer students, Dr. Vergil S. Fogdall, Director of Men's Affairs, indicated.

Roy Babcock, formerly a Counselor in McChesney Hall in the Veteran Dormitories, who is working on his Doctor's degree in the field of Education, and Si Ellingson, formerly President of Campbell Club and Vice-President of the Senior Class on the campus, are the two men who have assumed this assignment.

### PREVIOUS EXPERIENCE

Because of his previous experience as a Sponsor in the University dormitories, Babcock is acquainted with the dormitory situation and will be well qualified to assist any dormitory students who are facing particular problems at the University. He carried the strong recommendations of Mrs. Genevieve Turnipseed, Director of Dormitories, and Mrs. J. June Fendall of the Dormitory Office.

Ellingson will be able to give special assistance to University men who are facing the usual financial problems of college students because of his previous experience in a men's cooperative living organization.

Babcock will be in the Office of Men's Affairs in the mornings and Ellingson during the afternoon. They will work on alternate Saturdays.

### EDUCATION MAJOR

A graduate of the Eastern Oregon College of Education, Babcock came here in June, 1948 to begin work on his master's degree. He now has completed 17 hours toward his doctorate, and is taking 12 additional hours this term.

After graduation Babcock spent four years teaching in elementary schools in Eastern Oregon. During World War II he was in photo intelligence work with the army in Europe for 30 months.

SI ELLINGSON

ROY BABCOCK

In addition to counseling in McChesney Hall, Babcock has worked with students in Gamma and Zeta Halls. He is now a member of Phi Delta Kappa, education fraternity for men.

In the future Babcock hopes to continue in college teaching and personnel work.

### ELLINGSON VETERAN

Ellingson is a University of Oregon graduate and now is working on his master's degree in History, Latin American history in particular. He and his wife, who is an instructorial assistant in the biology department, hope to teach at the American Women's College in Santiago, Chile, after finishing their work here.

His former teaching experience consists of work with seventh and eighth grade students at Springfield Junior High School. He taught mathematics and social studies. Eventually, he hopes to go into college administration.

Ellingson also served with the army during World War II. He was with the armored infantry in Europe and spent some time instruct-

ing illiterate service men in English and American History.

Mr. Cyrus E. Anderson, a counselor last year, has now completed his residence requirements for his doctorate and has accepted a position as assistant professor of education at the University of Florida, Gainesville, while Mr. Ray Hawk, the other counselor, is assistant professor of education and director of teacher training at the Southern Oregon College of Education at Ashland.

### Six Cases Heard

(Continued from page one) sent themselves before the court next Tuesday.

When the court was set up, a trust fund was begun through arrangement between the ASUO and the Student Union Office. A loan of \$60 was made for supplies.

The first \$60 in fines collected by the court will go to repay this loan. All fine money received afterwards will be used to improve student parking facilities.

At the end of each term the junior representative on the court

will make a detailed report to the Executive Council stating the number and type of violations, penalties imposed, total fine money collected, and expenditures of the court.

Student drivers were reminded by the court last night that the failure to display a student parking sticker is a violation in itself. Furthermore, any student found guilty of another violation who has not displayed a sticker will receive

a doubled fine.

Two of the cases heard last night forfeited bail; three appeared and pleaded guilty.

### Theta Sig Open House

Theta Sigma Phi, women's journalism fraternity, will hold open house to all aspiring, pre-journalism women Thursday night, 6:45 to 7:30 p.m. at the Sigma Kappa House.
