Landscaping Set For New Theater

Landscaping for the new University Theater west of Villard Hall will be started as soon as the circular driveway and walks are completed. I. I. Wright, superintendent of the physical plant, said Thursday.

Steps and entrance slab for the theater were poured Wednesday, with curbing finished and a major share of the new sidewalks ready.

The driveway, opening through Dads' Gates off 11th St., will act as a service way for Deady and Villard Halls as well as an entrance to the theater.

The driveway, which is to have black-top paving, should be finished within two weeks, Wright added. The University physical plant crew will do the work.

Landscaping, planned by Fred A. Cuthbert and George S. Jette, professors of land architecture, will then begin, weather permitting.

Field Trip Planned

The Southern Pacific terminal yard in Eugene will play host to 17 advance ROTC transportation corps students Saturday morning.

The field trip is designed to supplement textbook instruction in railroad equipment. The students will leave from the ROTC Building at 9 a.m. under the supervision of Lieut. Col. J. H. Cunningham military science instructor.

Basketball Managers

Assistant managers are needed by the basketball team, Herman Lind, hoopster manager, announced yesterday. Men, preferably freshmen or sophomores, who are interested in the position, can contact Lind in McArthur Court between 3 and 5 p.m., or any other time at Phi Gamma Delta house.

There are openings on both the Varsity and Frosh staff, Lind said.

Hawaiian Club Holds Meeting

Hui O Kamaaina, Hawaiian club, met Tuesday for a business and social meeting.

Music and dancing filled the evening for members and their guests. George Kekuna, music chairman, led the singing of island songs and Julie Bethe Perkins danced a hula.

Officers of the club this year are Kehei Brown, president; Fran Baldwin, vice president; "Hunky" Filler, recording secretary; Joe Nishimoto, treasurer, and Rhoda Kahale and Julie Bethe Perkins, corresponding secretaries.

The group is composed of persons who have lived in the Hawaiian Islands for four years or more.

Japanese Relief Worker Fears Use of Country as 'Utility'

Fear that the United States might use Japan as a "utility" for a future war was expressed in an interview yesterday by Corkey T. Kawasaki, native Japanese.

He is working on the Friends Service Committee on relief for the Japanese people.

"The Japanese are watching very closely what the Americans will be doing about their promises," he said. "There is a suspicion that the United States might be using Japan as a utility for a future war."

Kawasaki has been engaged in relief work since the war, first as director of the Chicago Resettlers Committee and now for the Friends Service. He is in Eugene now speaking on the conditions in Japan, as he saw them during a three months visit early in the year.

"The critical need of the Japanese is spiritual," he added. He mentioned that the people need food and physical necessities before they will be receptive to the gospel of Christianity.

"Recently the economic conditions of the country have been im-

proving. However, there is a great increase in the population, approximately a million and a half a year," he explained. "The comparative value of the Yen to the American dollar is 136 to 1, whereas it is two to one in normal times."

Mr. Kawasaki will speak to the young people's group at the Central Presbyterian Church Oct. 24 at 5 p.m.

Houses to Name Noise Chairman

Campus living organizations will choose representatives this week for the Homecoming Noise Parade, Vern Beard, noise parade chairman, announced Thursday.

Representatives from all organizations will meet at 4 p.m. Monday at the Delta Gamma house to discuss noise parade rules and pairings of men and women's houses.

"It is important that houses choose representatives to attend Monday's meeting, as pairings will take place regardless of whether or not all houses are represented," Beard said.

Each living organization will select one representative, with the exception of Carson and Hendricks Halls. Carson will select three, one from each floor, while two will represent Hendricks, one from units one and two, and another from units three and four.

Evening dresses soon will show where the bathing suits left off.
