

Rapid Bill Fell

BILL FELL, speedy Webfoot reserve who saw limited action against Washington Saturday, is expected to get a chance at the California Bear ends Saturday when the Ducks take on Cal at Berkeley. Fell, who will be with the Ducks again next year, is being primed for action at every opportunity by Coach Jim Aiken.

Frosh Set for Second Clash With OSC Rooks

Oregon's Frosh will wind up their 1949 football season when they play the Oregon State College Rooks at 2 p. m. Friday on Bell Field in Corvallis.

Coach Bill Bowerman of the Frosh says he expects Hal Moe's outfit to look much better than they did in the first contest between the teams Oct. 14 when the Frosh won, 33-6.

FROSH HAVE FAVORITE ROLE

Going into the second game, the Ducklings will be definite favorites, although Bowerman points to the score of both teams against the Washington Pups as evidence that the Rooks have improved. Washington beat the Rooks by only a slightly larger margin than they did the Frosh.

Leaving for Corvallis at about 11:30 Friday, Bowerman will take with him two injured players. Left End Jake Williams is presently out of the line-up with a bad shoulder, but he may be able to play by Friday.

Right End Emery Barnes is also carrying a light injury, but he probably will be ready to start on Bell Field. The remainder of the squad, Bowerman said yesterday, is in top shape for the fray.

Quarterbacking the Ducklings Friday will be Hal Dunham who started the season with the Frosh, saw a vacation from the Vanport game, and is now back in the signal-calling harness.

BACKFIELD NAMED

At halfbacks against the Rooks will be Don Sloan and Ron Lyman. Sloan has been used as an end-runner and pass receiver most of the season, while Lyman has looked good in line smashes and cut backs through tackle in the line. Carl Ervin will take his regular fullback post.

No changes will be made in the line, the Frosh coach stated, meaning that all regulars, with the possible exception of Williams and Barnes, will start the game.

Bowerman said the only real advantage his squad had over the Eaby Bevos in the first game was

Injuries Worry Aiken As Ducks Leave for Cal.

The underdog Oregon football team will leave at 7:30 p.m. today on the Southern Pacific Cascade for Berkeley and the unbeaten California Bears.

Head Coach Jim Aiken said last night his squad is suffering from more injuries than at any time this year. Although none of these bumps are serious, several threaten to sideline key men in the Duck line-up.

Suffering from a leg injury is Johnny McKay, elusive halfback who saw extensive action in last week's Washington fray.

Fullback Bob Sanders has a badly bruised side where he took a Husky knee in the first half of last Saturday's contest. The bruise was aggravated by Sander's full-time action in the second half of the game.

Sideline with a knee injury is End Darrell Robinson. All three men will probably be in shape for the Cal battle, but are likely to be put out of the game if hit in the wrong place.

AIKEN WORRIED

Several other players are also suffering from minor injuries, Aiken said.

"The situation has me badly

worried," the head mentor declared.

Aiken scrimmaged his fit players with pads against California plays. He expressed worry over the way the Webfoot defense against many of these plays is shaping up, but said the team "looked good" as a whole.

Two changes in the defensive line-up were listed by Aiken yesterday. Ray Karnofski will put in time at the defensive right half spot and Hale Paxton will see action at the right end position on defense. The head coach indicated there may be other changes in the defensive squad before the final gun of the "Bear hunt."

BACKFIELD READY TO GO

Gentleman Jim listed as his starting backfield for the Berkeley battle the quartet of Earl Stelle at quarterback, Woodley Lewis and George Bell at halfbacks, and Bob Sanders at the fullback post. Bell's ankle is almost completely healed, Aiken stated, and there is little chance that it will impede the charging senior's progress.

Thirty-seven players will take the trip to the Southland.

The Webfoot contingent will

arrive in Berkeley at about 10 a. m. Friday after spending the night in their Pullman sleepers.

While in the Cal country, the team and its attendants will stay several miles from Berkeley at a secluded country club. A brief workout in the Cal stadium will take place Friday afternoon before the Aikenmen retire to their secret estate in the hills.

Swim Team Sees Good Season in ND Competition

Preparing for the 1950 season, Coach John Borchardt's varsity swimmers have been training hard in the University pool during recent weeks.

The Ducks will open the season Feb. 4 at Corvallis when they renew their old rivalry with Oregon State College.

With only four paddlers lost from the 1949 squad and with the return of two members of the honorary All-Time Oregon team, prospects for a successful season are excellent.

The two members of the All-Time team, Lotuis Santos and Jim Stanley, both gained valuable points for Oregon last spring at the Northern Division meet, in which the Ducks captured third place.

Stanley won the Northern Division diving championship and could easily repeat in 1950.

TWO 1948 MEN BACK

Among the other returnees from the 1949 squad are Tom Nekota,

Rod Harmon, Art Bayly, Stanley Hargrave, and Don McKillap. Two members of the 1948 team, Dick Hazzard and Bill Vannatta, also are returning for more action.

Joe Nishimoto, a transfer from Ohio State University, and Harry Ladas of Arizona also have been outstanding during the pre-season workouts

The team is additionally bolstered by veterans of the 1949 freshman squad, including Ralph
