Postal Jobs Available

Men students interested in U.S. Post Office jobs for Christmas vacation should contact Shirley Sylvester, manager of the employment service in the old YMCA building.

Red Imperialism Good, Says Herbert Phillips

(Continued from page one)

of the East" have a problem of disciplining anti-social forces. These countries have emancipated themselves from western dominance and imperialism.

Phillips, who is making a tour of 40 college campuses in an effort to achieve academic reinstatement, feels that the attack on the Communist party is not isolated but an attack on all freedoms.

Billions of dollars and massive reiteration have been used to fight the party, Phillips claimed.

Phillips termed his speech an effort to refute the major premise of those fighting the Communist party, that of the subversiveness of the party.

Communism is democratic, Phil-

lips stated, and cannot be imposed but has to come from the people. The Red Army is the people's army.

Phillips, a self-styled expert on authoritarianism, believes that force and intimidation is the worst type of authoritarianism. He denied that Communists preach the use of force and violence, but under questioning admitted that force may be necessary if the fascist tendency continues.

Robert Dresback, chairman of the Young Progressives of Eugene, presided at the meeting and introduced Phillips. Literature on the Civil Rights Congress and the National Non-Partisan Committee to Defend the 12 Communist Leaders was distributed at the meeting.

Executive Council to Change Oregon Seal

(Continued from page one)

of new cards. Old cards were used for the stunts at Saturday's Homecoming game, and some of the colors were labeled unsatisfactory.

Going on record as favoring a unified campus drive to replace the many charity appeals, the Council authorized President Art Johnson to appoint Joanne Frydenlund to investigate the situation. Miss Frydenlund will choose additional members for her committee.

Suggestions for the drive included subscription at registration, pledging of breakage fees, and the use of benefit programs such as last year's All-Campus Vodvil, given for the World Student Service Fund.

Junior representative Bill Lance, working on the possibility of set-

ting up a Faculty Follies of professorial and administrative talent, reported that most faculty members contacted seemed enthusiastic about the idea but were reluctant to take the initial steps of organizing the show.

The Council took steps toward organizing the proposed Student Forum radio show, with facilities provided by the speech department but control exercised by the students.

The program would be a weekly show airing the opinions of campus leaders on current "hot" issues of student life.

Miss Orr and Johnson will appoint a student board, subject to the approval of the Council, to formulate and administer plans for the show.
