# U.O. Students Push Morse for Re-Nomination

Campus sentiment for Wayne Morse's renomination next year to the United States Senate has crystallized with the announcement of a "Webfoots for Wayne" organizational meeting today.

Tom Brownhill, law school student body president, will call the meeting to order at 4 p.m. in room 3, Fenton. The meeting is open to all interested students.

Tomorrow's meeting will especially stress the need for students living in campus organizations to register in their home towns during Christmas vacation. Those living in dormitories, fraternal groups, and coops have been ruled ineligible for Eugene registration on the basis of residence requirements.

"Webfoots for Wayne" will be organized to cross traditional Republican-Democrat lines. The group's sole purpose will be to campaign for the liberal Republican senator's renomination in the primary and reelection in the general election.

## Registration Extended One Week

Students will be allowed the first week of winter term to complete registration, rather than just Jan. 3, according to a change made in registration processes, Registrar Clifford L. Constance reported Tuesday.

The new deadline for completing registration steps is 12 noon, Jan. 7. Students failing to comply with this deadline will be assessed the late fee of \$5 on and after Jan. 9.

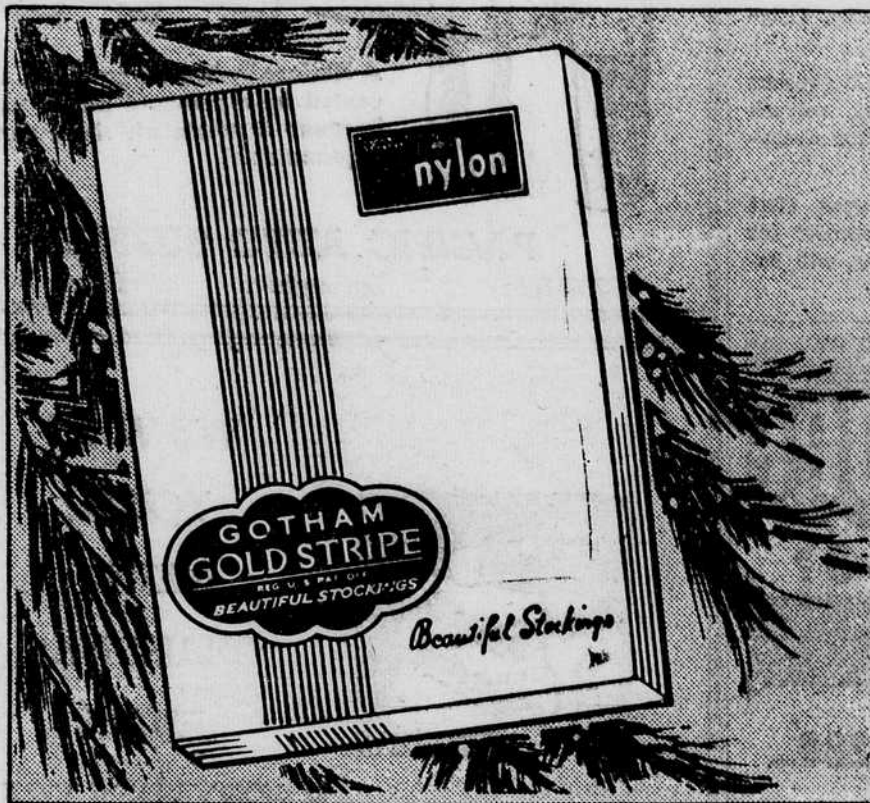

Deadline for completion of the student affairs check is Saturday noon. Students failing to check with Student Affairs by this time will be assessed the full \$5 late fee on Jan. 3.

Graduate or part time students (those taking six or less hours)

are not required to complete the Student Affairs check on Saturday. They may complete registration anytime during the regular period.

Advance registration also ends Saturday morning. The regular registration period extends from Jan. 3 to 12 noon, Jan. 14.

Validation for veterans and fee assessment for all students will take place in McArthur Court on Jan. 3 only. All fee payments involving money will be made in Emerald Hall.
