Limited Number of Tickets Left For Marriage and Family Series

More than one-fourth of the available tickets for the annual Marriage and the Family Lecture Series were purchased in the first day of sales Monday, committee workers announced.

Only 200 tickets are being offered for the four lectures by Dr. Lester A. Kirkendall, associate professor of family life education at Oregon State College. One 50-cent ticket admits a student to all four lectures.

Fifty-nine tickets were sold at the Co-op booth Monday. The booth will remain open all week, or until all tickets have been purchased.

First program of the series is scheduled for Tuesday evening, Jan. 17. The remaining four lectures will be given on succeeding Tuesdays.

Co-sponsors of the series are the YWCA sophomore commission and the YMCA campus affairs committee. Barbara Metcalf and Dave Swanson are chairmen.

A treaty in 1819 between the U. S. A. and Spain fixed the southern boundary territory at 42 degrees latitude. This now marks the boundary between Oregon and California.
