	Fountain of Arethusa	Karol Szymanowski
	Sonata (1945)	Henry Cowell
	Russian Dance from "Petrouchka"	Stravinsky-Dushkin

Test Flight Device Now Developed

Los Angeles, (UP)—A device that makes "test flights" on airplanes before they are built was revealed Thursday by Dr. James R. Killian Jr., president of the Massachusetts Institute of Technology.

"This elaborate and sensitive calculator, known as the 'flight simulator,' handles in 10 seconds a problem that it would take an expert operator 100 hours to carry out by hand," Killian told an MIT alumni dinner.

The machine was developed in three years' research by MIT and the Navy.

Pegged Ducks Improve GPA's

Ten, or 6.8 percent, of 147 men students placed on pegged grades fall term made above a 3 point GPA, a survey compiled by the Office of Men's Affairs revealed.

Nine men made above a 2.75, while 13 drew grades over 2.5 GPA.

On the other hand, 28 percent of the 147 did not make their peg and were disqualified from the University.

Students with cumulative GPAs below a 2 after several terms at the University are given specified grades to make which will gradually bring their cumulative up to a 2.

Those who are given pegs and fail to make a 2 point as well as their peg are disqualified from the University, but those who make a 2 point, although failing to make their peg, are allowed to remain in school.

Out of the total, 72 percent made their pegs, while 15 percent failed to, but did get a 2 point.

Any men now on pegged grades are welcome to contact Roy Babcock or Si Ellingson, counselors for men, in the Office of Student Affairs, 201 Emerald Hall, for advice, Vergil S. Fogdall, director of men's affairs, reports. Students who failed to make a 2 point fall term may also come in to the office for aid.

No such compilation has yet been made for women.

to Portland and approval comes sooner or later. For bridgework or inlays there is a mighty economical way to get the work done.

Any rumors or figures you have heard quoted that sound like all the men on the campus are flunking out of school are evident erroneous and slightly wrong. Mr. Fog-

dall says the figure of 875 men under a 2.00 is much lower than last year and the year before. There were 1300 plus below "C" level last fall term. A lot of this improvement can be traced to the Office of Men's Affairs with its counselling service. Do you suppose the thinning out of the old soldiers is responsible for the better grades? Impossible!

Religious Events

WESTMINSTER HOUSE
Students of Westminster Foundation, 1414 Kincaid, will be offered the first in a series of discussions on religions of the world. Roman Catholicism is the topic this Sunday. The regular meeting will be led by Ben Lyon, student president, and will follow a buffet supper which is served at 5:30 p.m.

Plymouth Club's Sunday evening program features a short talk by Dr. N. P. Jacobson, and a general discussion.

Dr. Jacobson, formerly a professor of philosophy at Huntington College in Montgomery, Ala., is now acting head of the University Religious Department.

A social hour and snack supper is scheduled for 5 p.m. in Plymouth House, and will be followed by the talk and discussion at 6 in the Wheeler Room of the Congregational Church.

Activities for the week of Jan. 15 to 21 include Wednesday noon chapel services, led by Jackie Madison, and a potluck supper on Thursday evening. Entertainment, led by Bill Byrd and Jim Harrang, will follow the potluck.

LUTHERAN HOUSE
The Lutheran Student Association will meet Sunday evening and hear reports, via panel discussion board, from the students who attended this year's Ashram.

The recently appointed Student Counsellor, Miss Blanche Rockne, will be present at the services to meet with Lutheran students.

CHRISTIAN HOUSE
The Oregon-Oregon State game in Corvallis will be attended by students from Christian House as a group. Those attending will leave the campus at 6 p.m. Following the game, a joint meeting will be held with the Oregon State Christian House at 2305 Monroe Street. Transportation will be available for those making the trip.

Sunday evening at Christian House will feature reports on the workshops given at the first Student Quadriennial Conference of the Christian Church Students held at Des Moines, Ia., during the Christmas holidays.

Those giving reports are Mary Alice Baker, Mary Jane Nesby, Dorothy Serviss, Arlene Hendricks, Jan Hood, Imogene Spurgin, Bob Peterson, Donald MacKenzie, Tom Straton, Vic Lambert, and Phil Wolf. Refreshments will be served at the meeting, after which the delegates to the convention will conduct the evening services at the First Christian Church, 11th and Oak streets, starting at 7:30 p.m.

Bob Peterson, president of Christian House, was elected treasurer of the National Disciples Student Fellowship, which held its meeting in conjunction with the conference held in Des Moines, Ia. Oregon is one of six schools represented on the National DSF council.

PLYMOUTH CLUB
Friday night is "Fun Night" at Plymouth House, next to the Congregational Church at 13th and Ferry streets.

From 8 to 12, recreational activities will include dancing, square dancing, ping pong, pool, shuffleboard, darts, and other games.

Plymouth House was remodeled early last fall to provide a better place for student recreation. There is now a hard maple dance floor with shuffleboard areas painted at each side, and other areas for ping pong and pool tables.

Petitions Due Monday
Petitions for an assistant director of the Emeraldettes, girls' drill team, have been called for by Doug Coleman, director.

Applicants should be freshmen, sophomores, or juniors. Petitions should be turned in to Coleman at the Phi Sigma Kappa house by 5 p.m. Monday.

NEWMAN CLUB
The Reverend Louis Sohler, former Newman Club chaplain, will speak to the group on "Intellectual Growth" at its 6:30 p.m. meeting Sunday.

The meeting will be held, contrary to a previous announcement that it would be canceled due to the concert in the afternoon. The group is starting a new series of lectures under the general title "Growth Is a Proof of Life." Name tags will be given to those attending, to promote better social relations in the group. Barbara Smith is in charge of refreshments to be served after the meeting.

WESLEY FOUNDATION
A "Wild West Roundup" party will be held tonight at 8 p.m. at the First Methodist Church. Western games, square dancing and other activities will feature the evening. Jeans and plaid shirts will be worn.

West Defenses Rumored Weak

WASHINGTON, (UP) — Sen. Wayne Morse, R., Ore., called today for an investigation of "rumors" that West Coast defenses from California to Alaska are too weak to beat off "any sudden attack."

Morse, whose concern was echoed in the house by Rep. Thor Tollefson, D., Wash., said Chairman Millard Tydings of the Senate Armed Services Committee, had assured him the group would ask the defense department for an explanation.
