

Seniors to Check Graduation Requirements

(Continued from page one)

Bachelor of Science degree requires 36 hours of science or social science and a Bachelor of Arts, 36 hours of language and literature, including two years of foreign language.

4. Residence in the University. A student's last 45 hours of classes

must be spent on the University campus.

5. Compliance with restrictions. Only a certain number of pass and no pass courses are allowed.

6. Completion of the total hours requirement of 186 hours.

7. Maintenance of a 2.00 cumulative GPA for four years' work

in school.

8. Securance of departmental approval, stating that all requirements for that department are filled.

9. Payment of \$6.50 degree fee. The student's name, degree, major, and home town are also listed on the card strip in exactly the

same form as they will appear on the graduation program. If any of these are inaccurate, corrections will be made.

The new program, if successful, will be continued through future graduation classes, Mrs. Emelyn Rohlffs, commencement secretary, stated.

Mothers attempt to help dad put up the storm windows may be what takes him so doggone long.

Lots of people are worrying about the dollar—and a lot more are worrying about how to keep on earning it.

It soon will be time for the early bird that got the worm to turn it over to the chestnut.
