

Oregon-Oregon State Split Completes Duck Schedule

Webfoots Win Sixth Game in 'Magic' Igloo

Oregon's Ducks completed their season this weekend in the same style they have shown since it began last December in Salt Lake City.

The Webfoots dropped the game away from home, 42-51, to Oregon State, and came back to win their home game from the Aggies 45-40.

Oregon lost every game played on the road in the 1949-50 season. At home, the Webfoots won six Northern Division games and lost only two. Those defeats were at the hands of Washington State and Idaho in McArthur Court.

In the weekend clashes with OSC, the magic of the home floor paid off Saturday night to make the Ducks settle down, stop running hard at the right time, and shoot a .311 percentage, which was good enough to beat Oregon State's .291.

Fans Treated to Shows

Neither game in the weekend set provided good basketball, but both gave the fans plenty of thrills, and Saturday's was particularly rich with spills.

Saturday night, when Oregon won, the Ducks got off to a good start, potting eight points before the Beavers could get a field goal. Mel Krause became burning hot in those first minutes to hold at one time a record of four field goals for six tries while the Oregon team was building up a lead.

And then, just as fast and they had leaped ahead from the start, the Ducks collapsed. With 10 minutes of the first half gone, the score read 19-9 for Oregon.

Oregon State caught fire. Oregon went for 7½ minutes without a point. By the time Ken Hunt finally sank a one-hander for the Ducks, OSC had been playing ball for about eight minutes and the score was 25-21 in favor of the Orange.

Will Urban got one free throw to make it 25-22 for OSC and the two teams retired for half-time resting and instruction. Urban scored 10 of his 14 points on gift shots Saturday night to be top Oregon scorer. Krause followed with 12.

In that first half, Oregon shot a .291 percentage, while Oregon State

1950 Duck-Beaver Grid Game To Be Played in Portland Stadium

IM Playoffs Start Today In 'A' Loop

IM Playoffs Today "A"
Court 40 4 Phi Delts vs Kappa Sigs
43 4 Minturn vs. Sigma Nu
40 4:45 Nestor vs. Chi Psi
43 4:45 Sigma Chi vs.

Betas
 Today is the day to hustle down to the IM casaba courts. Eight champions of eight "A" leagues begin the "big pull" for the top notch on the basketball totem pole.

Six "B" champs will open action Tuesday. Chi Psi draws a bye in the initial round of play.

In both leagues, one loss automatically eliminates a team from the tourney. If everything goes according to schedule, the semi-finals of both divisions will be played on Wednesday; the IM "A" and "B" cupholders for cage action a la '50 will be decided in Thursday's finales.

A few hoop championships which were in the toss-up bracket last week were decided in Thursday's "curtain dropper" action. A play-off match at that time saw a rejuvenated Minturn crew take league one "A" by smacking the Delts 33-12. In a preceding playoff clash Omega spilled SAE 14-13, and in so doing, snatched the four "B" crown.

Tuesday's IM Playoffs "B"
Court 40 4 Sammies vs. Kappa Sigma
43 4 Omega Hall vs. Fijis
40 4:45 Phi Delts vs Sigma Nu
 Chi Psi draws a bye.

But Leo Declares '51 Battle Here

Oregon State College Officials announced Saturday that the Nov. 25, 1950, OSC-Oregon football game will be played in Portland's Multnomah Stadium instead of Bell Field at Corvallis.

At the same time, University of Oregon Athletic Director Leo Harris said that Oregon plans no changes in the Oregon-OSC game for 1951, which is scheduled for Hayward Field in Eugene.

Indications from Corvallis are that the shift to Portland for next fall's "big" game will allow a bigger crowd and thereby increase the revenue.

Work on Multnomah Stadium this summer is supposed to increase its capacity to around 36,000 spectators. Bell Field will not hold more than 20,000 even with temporary bleachers.

To even the home game list for Bell Field, Oregon State officials plan to move this fall's Oregon State-Stanford game from Portland to Corvallis, according to some OSC circles.

The rumor that the Duck-Beaver game would be shifted next fall has been circulating between Eugene and Corvallis since Christmas. There has been no talk, however, of making Portland the permanent site for the game.

In light of the present out dated condition of Bell Field, state officials may make moves in the near future to tear down the old structure and erect a modern concrete football plant. However, this might raise opposition from some quarters, where it is thought the recent construction of Gill Coliseum for OSC basketball is enough for the Corvallis school for now.

Nishimoto Sets Record; Huskies Set Two And Win

Oregon's Joe Nishimoto cracked a Northern Division 200-yard breast stroke record Saturday, but his win couldn't stop the University of Washington swim team from rolling over the Water Webfoots, 59-25.

Nishimoto's new record of 2:24.7 in the breast stroke knocked out the old mark of Jack Dallas (Oregon, 1939) by 19-10 seconds.

Two other division records fell during the afternoon.

Washington's relays teams set new marks in both the 300-yard medley and the 400-yard freestyle.

Aside from Nishimoto's performance, the Oregon team managed to take only two other events in the meet, which Oregon Coach John Borchardt had hopes of winning.

Track Finals Set Today; Next is All-House Meet

Finals begin today in Bill Bowerman's inter-organization track meets. The squad that wins, gets the first annual "Les Steers trophy."

At 4 o'clock today Sigma Chi meets Theta Chi. ATO will meet Kappa Sigma on Tuesday. The winners of these dual clashes will see each other on Thursday for the championship.

This tourney is to be followed by an all school track meet. Bowerman has asked each living organization interested in entering men in the all school tourney to send representatives to a meeting at 7 p.m. Thursday.

In an unofficial track meet Friday Sigma Alpha Epsilon literally "ran over" Pi Kappa Alpha 45-11.

Results:
 Broad Jump: (1) Sullivan, (SAE); (2) Davis, (PKA); (3) Dummiller (PKA). Winning distance: 19'-11½".

High Jump: (1) Buckley, (SAE); (2) tie between Pyeatt (PKA) and Dunn (SAE). Winning height: 5'-4".

Shot Put: (1) Paxton, (SAE); (2) Gibson, (SAE); (3) Elliot, (SAE). Winning distance: 41'9".

40-yard hurdles: (1) Sullivan (SAE); (2) Bigenholm, (SAE); (3) Moore, (PKA). Winning time: 5.4.

40 yd. dash: (1) Baker, (SAE); (2) Bradlee, (PKA); (3) Liberty, (PKA). Winning time: 4.8.

¼-mile: (1) Johnson (SAE); (2) Dignan, (SAE); (3) Jones (PKA). Winning time: 3:55.2.

Relay: won by Pi Kappa Alpha. Winning time: 16.5.

Frosh Whip Klamath for 18-1 Season Record; Chet Noe Topples 1936 Frosh Scoring Mark

By Jack Landrud
 Oregon's Frosh basketballers Saturday night walloped Klamath Falls high school, 70-27, to conclude their best season in many years.

Individually, center Chet Noe hauled in well-deserved laurels for himself. He has scored more points in the 16-game campaign than any other yearling cager in the history of the University.

The Ducklings claim a record for the year of 18 wins against only one setback, which is the top performance of any Oregon freshman squad with the exception of the famous 1938 team which was undefeated in 17 games.

Noe, sky-reaching 6 foot, 7 inch pivot man, had rung up 202 markers prior to Saturday's fray, and needed 17 more to tie the record of 219 set by Laddie Gale during a 20-game season in 1936. He hit for 12 in the first half and 11 more in the second period, for a total of 23 for the game. This broke the previous record and established a new mark of 225 points.

The feat was even more remarkable in that his 11 field goals were garnered on only 14 attempted shots.

Game Even Until . . .
 Getting back to the game itself, both teams battled on even terms for the first few minutes of play to

a 4-all tie. However, the Ducklings suddenly got steamed up and had pulled away to a 36-16 lead when the halftime intermission sounded.

During the second half Frosh Coach Don Kirsch cleared his bench of players, as did the Klamath mentor, Paul McCall, but the final outcome was never in doubt.

A supreme example of the Frosh defense, which has been very poor at times during the season, was shown in the third quarter when the Kirschmen rang the scoring-bell 18 times while holding the Pelicans to 2 points.

Frosh Accurate
 Another department in which the Oregons showed vast improvement over previous performances was on the free throw line. In the past few tilts in particular they have been unable to convert charity tosses with any degree of consistency, but against Klamath, the Frosh dropped in 12 out of 14 chances.

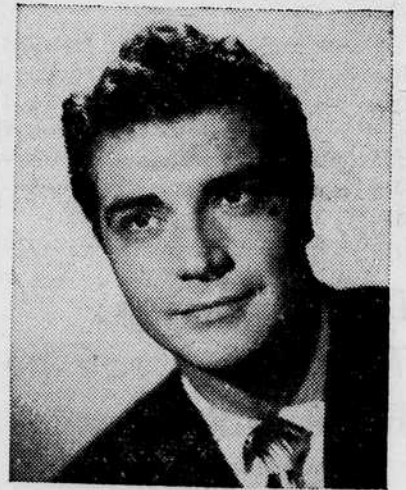

The clash was also outstanding from the point of view of personal fouls. The Frosh were whistled down only 12 times, with no more than two fouls being charged to any individual. The prepsters were called for 14 infractions, which were similarly spread out.

Noe was high point man for the Ducklings, followed by Bud Covey with 8, Curt Barclary with 7, and

another 6 foot, 7 inch lad, Hank Bonnemenn, with 6. Tom Schubert paced his Klamath mates with 9 tallies.
