

Delts Observe Founders Day

Members of Delta Tau Delta assembled yesterday at the Eugene Hotel for the fraternity's annual founders' day banquet, which was attended by Donald M. DuShane and Vergil Fogdall of the University Office of Student Affairs.

Harold Brenton, national president of Delta Tau Delta, in an after-dinner address, told Delts of the local chapter and members of the Portland and Eugene alumni groups that a fraternity man's role in college is one of using his ex-

perience to help younger men in college.

The dinner was attended by about 70 persons.

Beside Brenton, DuShane, and Fogdall, Hugh Shields, national executive secretary of Delta Tau Delta, and John Nichols, president of the western division of the fraternity, also were honored guests at the banquet.

President Bob Welch of the local chapter was toastmaster for the occasion.

Air Force Seeks Students Offered College Grads Library Award

The U. S. Air Force has announced a program to build up an officer corps composed in large part of college graduates.

General Hoyt S. Vandenberg, Air Force chief of staff, urges college students to examine the career opportunities within the Air Force.

Graduates of accredited schools may apply for commissions as officers, or if they hold reserve commissions, for extended active duty.

Vandenberg reports that new pay scales, effective Oct. 1, 1949, have raised beginning Air Force wages so they compare favorably with beginning salaries in civilian enterprises.

Information concerning opportunities in cadet pilot training, navigator training, officer candidate school, and extended reserve duty may be obtained from Karl W. Onthank, graduate placement director, 216 Emerald Hall.

Application blanks for the program are available at any U. S. Army-Air Force recruiting station or by writing to Headquarters, U. S. Air Force, Director of Training, Washington 25, D. C.

Scottish Students To Debate at U.O.

Two University of Oregon students will meet two Scottish students in debate Mar. 14 at 8 p. m. in the University Theater.

Subject for the public debate will be "That this House deplors the use of propaganda, political or commercial." Taking the negative will be Don Dimick, third year law student, and Howard Zimmerman, graduate student in speech.

They will oppose David D. T. Reid of the University of Glasgow and Malcolm David Webster-Low of the University of Edinburgh, who will take the affirmative.

Libe Paper Clipping Seen on Increase

An increase in clipping of newspapers in the circulation department of the University library has been noted by Miss Elizabeth Findly, head reference librarian.

Miss Findly points out that the newspapers are not only used daily, but are bound and kept for future reference and research. "Probably no one cares about your cousin's wedding announcement which you clip out," she admitted, "but it may ruin the story on the back of the page."

She noted also that there is a law providing for fines of not less than 5 dollars nor more than 50 dollars, or imprisonment not exceeding six months which can be applied in these cases.

Civil Service Offers Many Openings

Opportunities in the therapeutic and diatetic fields are now offered by the U. S. Civil Service Commission.

Examinations for Student Dietician, salary \$1470 per year, are currently announced by the commission. Requirements for the position include a B.S. degree in foods, nutrition, or institution management. A year of post-graduate study or three years experience in one of these fields is recommended, but not necessary.

Two things every college man should know!

1. This is an Art Major. Really a sketch. Thinks Monet makes the world go round. His question in life is where does Van Gogh Vermeer! Knows Rem brand is nothing to sneeze at. Often goes to bed with shades half drawn.

2. This is a "Manhattan" Sportshirt. We've a whole gallery of these solid-colored rayon masterpieces, in a paletteful of colors. Just picture yourself in one.
