## DUCK TRACKS

The Fourth annual N. C. double A. baseball tournament (the College World Series) has been awarded to Omaha's new Mu nicipal Stadium, with play scheduled to begin on the night of June 15. Each of the eight N.C.A.A. district winners will be com peting for the College Championship of the United States-which is a long, long way from Don Kirsch's front door because of a collection of diamond specialists known as the University o Southern California Trojans.

The first of these college tournaments was held in 1947 a Kalamazoo under the auspices of Western Michigan College. That year Yale represented the four districts East of the Missis sippi River and California the four western districts. The Berke sippi River and California the four w
ley Bears brought home the bunting.

## Bulldogs "Get It" Again

The following year, Yale was in it again, but once more went back to New England with nothing but expenses to pay, as Southern California came through with the championship. The 1949 tournament was a four-team affair at Wichita, Kans., wo by Texas, and this year the Association has decided that eigh teams, one from each district, would make for an ideal set-up.

Officials are hopeful that the tournament will pay for itself with the main sources of revenue at the Omaha ball park coming from gate receipts, radio, and television.

When the Washington State College Cougars go against Montana State's trackmen this Saturday, they will be sekieng their 18 th consecutive dual meet win over the Missoula contin gent. The meet will be on the Montanans' home track. The Coug ars expect the Grizzlies to put up a "much stiffer fight" than las year when the Pullman crew won, 107 to 24.

Baseball in Eugene leaves the "grapefruit" status this weekend when the Webfoots square away against Buck Bailey's WSC diamond dusters Friday and Saturday. "Bloody Buck" will be opening his bid for a fourth consecutive Northern Division crown, but he has to rely on "inexperienced sophomores" to make up the bulk of his mound staff, according to wails drifting this way from the Pullman lair.

## Lose Three Vet Hurlers

Ward Rockey, five game winner last year, and Dick Stiles seven game winner, along with relief hurler Arnie Torgeson, are lost through the channels of graduation. That was the collection of "arms" that carried the Cougars to their third straight title last psring.

Gene Conley, sophomore basketball star who belabored the Oregon basket with field goals during the now expired hoop era is rated as a top prospect. The 6 foot 8 inch Richland, Wash., rookie is reputed to have a wicked curve ball in his mound reper toire.

An interesting note on the past basketball wars is the fact that the "Wooden Wonders" of UCLA broke 15 different records during the season, as they disheveled all Southern Division opposition for the second straight year and copped the PCC crown for the first time in their history.

## 'T' Shirts or BVDs

John Warren, Oregon's basketball helmsman said that Clai Bee had shown some interest in bringing his Long Island Uni versity Blackbirds West next season. The whole affair is un official, since Warren and Bee exchanged tit-for-tat in personal correspondence channels, but Warren answered the LIU chieftan that the Webfoots would be willing and ready should the New Yorkers decide to barnstorm up Eugene way

The Blackbirds took a pair from Oregon two seasons ago at McArthur Court-both thrillers; the LIU squad took more than the usual share of verbal lambasting from the over-partial Igloo crowd-but they won both nights.

Any way, the Blackbirds were the last visitors, except for Idaho, who wore "T" shirt uniforms-a sign of good dress-in contrast to the BVD style more commonly worn on the maple court.

sity of Idaho, Great Falls Selecsity of Idaho, Great Falls Selec-
trics, of the Pioneer League, and trics, of the Pioneer League, and
