Radio Trophies To Be Awarded

Trophies will be awarded to the outstanding male and female radio performers, student producer, and student writer, the radio studios announced Tuesday.

There will be a campuswide vote taken to determine the recipients of the trophies. Voters are asked to submit their nominations in sealed envelopes to the speech office, with a short statement explaining why they voted as they did.

A board composed of representatives of Eugene's radio stations will supervise the selection of the outstanding performers.

Voters are requested to submit votes as soon as possible.

The trophies are being presented by the local radio stations. John Wald, the Richfield Reporter, has been contacted for the presentation of the outstanding achievement award.

About 10 recognition awards will also be given. The trophies will be put on display in the Co-op window during the second week of May, according to Allan Hicks, head of the award committee.

Arrangements for a banquet to be held May 26 have not yet been completed. The trophies will be presented at that time.
