It will be one of two joint reviews planned for spring term. The other one will be held June 1 in honor of military science graduates.

A practice drill was held Thursday of Air and Army units which usually meet on different days.

Questions on Dates, Sewage Asked At Annual YMCA Jr.-Sr. Breakfast

"How do you dispose of your sewage?"

"What is a date? What do you do on a date?" These were the questions which foreign students Gisela Schmidt and Dirk Schepers pointed at Beverly Buckley, YWCA president, at the annual junior-senior breakfast Sunday morning in Carson Hall.

The question and answer exchange characterized the breakfast program titled, "Innocence Abroad," in which Miss Schmidt and Schepers quizzed Miss Buck-

ley as if she were an American foreign student in Switzerland. The questions were typical of statements with which American confront foreign students, according to Miss Buckley.

Two hundred, thirty-eight guests attended the annual breakfast honoring graduating seniors. Program features included vocal solos by Mary Hawkins, junior in music, and welcome speeches by Miss Buckley and Billjean Riethmiller, former president of the YWCA. Karla Van Loan, breakfast chairman, was mistress of ceremonies.

Decorations followed a "Spring-time" theme. All University foreign women students were guests of the YWCA.

The committee in charge of the event was: decorations, Petermarie Pendergast; tickets, B. J. Boner; programs, Barbara Clarin and Pat Johnson; hospitality, Kay Kuckenberg; and publicity, Jackie Pritzen.

State Music Fete Listed For May

The annual Oregon State Music contest will bring 27 bands, 5 orchestras, 25 choral groups and 300 soloists from Oregon high schools to the University campus May 5 and 6.

In addition there will be 50 small vocal and instrumental ensembles.

These musicians won superior ratings in their district contests. The contestants come from high schools in Tigard, Salem, Beaverton, Cottage Grove, Grants Pass, Gresham, La Grande, Lebanon, North Bend, Portland, and Prineville.

Chairmen for the event are John Stehn, professor of music, and Donald W. Allton, professor of organ and theory.

The contest is sponsored by the Oregon School Activities Association and the Oregon Music Educators Conference.

Mailing Labels For Moms' Issue Due Tuesday

Stickers for the Mothers' Weekend edition of the Emerald should be addressed today and Tuesday, Promotion Chairman Kay Kuckenberg said Sunday.

House representatives are to turn the addressed stickers in to Miss Kuckenberg at the Delta Gamma house by Tuesday night in preparation for mailing the special edition to Oregon mothers Thursday.

Off-campus students may obtain stickers at the YWCA in Geringer Hall or through Orides and Yeomen.

Posters urging students to invite mom to the campus for the weekend, May 12-14, will appear this week, Miss Kuckenberg stated. Flying speeches are also planned for living organizations.

The men's and women's houses having the highest percentage of mothers registered for the annual event will be awarded record albums donated by Radio Lab.

HOW TO COMMIT SUICIDE

No not you!—but possibly your country. Nations have collapsed before because they allowed disunity to destroy them.

Why do we love America? Because, under our form of government, the individual—and that means you—is considered important.

But this works two ways. If we want to be secure in our own right, each of us must be willing to respect the rights of others.

If we discriminate against other people for any reason, we'll soon find others discriminating against us. Then what will we have? A family squabble—national disunity—and the enemies of our system laughing up their sleeves.

Make sure you are not spreading rumors against a race or a religion. Speak up, wherever you are, against prejudice, and work for better understanding. Remember, that's being a good American citizen.
