

Husky Meet May Bring New Marks

By DAVE TAYLOR

Oregon's Webfoot thinclads will make their final home appearance of 1950 this Saturday when they meet Coach Hec Edmundson's Washington Huskies on Hayward Field. Both teams are unbeaten in Northern Division competition with the meet this weekend possibly deciding the dual meet championship.

The meet will be the finale for seven Duck seniors including Oregon's three-man vault team of George Rasmussen, Don Pickens, and Lloyd Hickok. Other graduating seniors are Davey Henthorne, ace sprinter of the Northern Division since his freshman year, Jack Doyle, three-year letterman in the hurdles, Woodley Lewis, ND broad jumper king of 1949, and Pete Mundle, three-year veteran distance man.

At the end of the 1950 season these seven men will have earned a total of 24 emblems for their track and field performances. Rasmussen has never been defeated in Northern Division competition, while his piston-pinned partner, Dave Henthorne, was defeated once in 1948 when he was suffering from a leg injury.

New Records Maybe

Both men could establish new records when the Huskies come to Eugene. Rasmussen will be shooting for the only dual meet vault record which he doesn't already possess. The present dual record is 14 feet set by George Varoff in 1938. He will also be toward a new field record. The present mark of 14 feet 4 inches is held by Varoff and Rod Henson, both of Oregon in 1939.

Henthorne will be making his final bid in the 440-dash where he threatens the field record of 48.7 seconds set by Loren Benke of WSC in 1936. Henthorne has already run a 50 flat quarter-mile and will be pushed Saturday by Huskies Ken Morgan and Fred Bush who have run 50. flat and 50.2 already this year.

Bad News Burke

Other possible record performances could come in the high hurdles, the 880-yard run, and the two-mile. Jack Burke of Washington has run the tall timber in 14.5 seconds which is better than the present mark set by Lyle Clark, Washington, in 1946 and Steve Anderson, Washington, in 1912. Burke will be aiming at a new field record also. The present mark of 14.7 seconds was set by Ronald Kelly, WSC, in 1934. Burke will face Jack Doyle, whose best time this year is 15.1 seconds.

Cougars Waiting, Ducks

WASHINGTON STATE COLLEGE, — Two sophomore hurlers will carry the Cougar hopes in the coming baseball series with the University of Oregon this weekend, Friday and Saturday May 5 and 6.

Coach Buck Bailey has revealed that Lee Dolquist, sophomore righthander from Yakima will probably get the call in one of the Oregon games. Dolquist is the leading Cougar hurler this season with a record of three wins and no losses to his credit.

The second sophomore is tall righthander Gene Conley of Richland. Conley may hold the key to the Cougar success as he has yet to win his first conference start. Despite the fact that he has one conference loss on his record this season, Conley has struck out more batters than any other Cougar hurler. Conley is also the leading WSC batter with a .667 percentage for the season thus far.

Ducks Win, 12-3; 13 Vandal Errors

The Oregon Webfoots opened their Inland Empire invasion Wednesday with a 12-3 win over the Idaho Vandals at Moscow. The Ducks were aided by 13 Idaho errors in what might have been a good pitcher's duel.

Mel Krause fired two-hit ball at Chuck Findley's men, while his mates were getting nine scattered hits off the offerings of Idaho's Schiller.

The victory broke a three-game conference losing streak for Dor Kirsch's Ducks, although it was not enough to lift them out of the cellar.

Oregon picked up single runs in the first, third, and fourth innings for a 3-0 lead. The Vandals got back in the ball game in the fifth when their only hits of the contest, a pair of doubles, were the big factors in netting two tallies.

Idaho Defense Fails

It was still 3-2 in the eighth when the Idaho defense became a thing of the past. Ten bobbles were committed by the Vandals in the last two frames while the Ducks were piling up five runs in the eighth and four more in the ninth. Schiller had limited Oregon to five safeties going into the eighth.

Idaho picked up its final marker in that active eighth.

Daryle Nelson, the Northern Division's leading hitter, led the Webfoot attack with two doubles.

Shortstop Ray Coley might have established some sort of a record. Three of his trips to the plate resulted in his being hit by Schiller's heaves.

Johnson to Pitch

Oregon goes against the Vandals today in its final clash of the season with the Moscow club. Swede Johnson is slated to be on the mound for the Webfoots, while Bob Pritchett is expected to hurl for Idaho.

The Oregon State Beavers open a two-game series with the University of Washington at Seattle in the league's other tilt.

Transfers Look Fine To Taylor

OREGON STATE COLLEGE, Corvallis, — Spring football practice is nearing the final stages at Oregon State. The Beavers will climax the 30-session program with a regulation intra-squad game on Bell field Saturday afternoon, May 13.

Coach Kip Taylor is pleased with the progress shown by a number of his sophomores and transfers and feels that the new men will definitely make a strong contribution to the Orange cause next fall. The three positions hardest hit by graduation — ends, left halfback and fullback — are beginning to shape up pretty well.

The end situation in particular looks much better than it did when spring drills started. Bill Storey, lanky freshman from Battle Ground, Wash., has been a pleasant surprise and should make a fine defensive right end. He did not go out for freshman football last fall but earned all-state honors in high school.

Another newcomer showing up very well at a wing post is Jim Cordial, transfer from Salinas, Cal. junior college. Bill Platenburg, transfer from Pasadena, is a good technician and has improved rapidly this spring. Veterans Don Niblett and John Thomas have shown improvement over their play last fall.

Frosh Await Stiff Action; Drain Today

By JACK LANDRUD

Three games in three days is the forecast for Coach Marv Rasmussen's busy Frosh baseball team, weather permitting, that is.

This afternoon at 3:30 the Ducklings are scheduled to meet the highly touted Drain high school nine on the practice diamond. The prepmen boast an undefeated record to date, and their No. 1 pitcher, Bob Cellars has two no-hit, no-run, games to his credit this season.

Mentor Rasmussen announced Wednesday that he plans to start Don Allen, an Everett Junior College transfer, on the mound against Drain.

Friday the Frosh will travel to Corvallis in an attempt to play the oft-scheduled, oft-postponed opener to the four game series with the Oregon State Rooks. Curt Barclay will draw the starting pitching assignment.

Eugene high school, only squad to trip the Ducklings, and by a convincing 9-3 margin about three weeks ago, will offer the opposition in Saturday's clash. The Yearlings will be out to avenge the early defeat and will pit Jack Pyle against the Axemen's Don Siegmund.

Starting line-up for this afternoon's game will be catcher, Jim Livesay; first base, Curt Barclay; second base, Ed Cohen; shortstop, Jim Barnes; third base, "Poe" Johansen; left field, Tom Brumbaugh; centerfield, Herb Cook; and right-field, Lee Alvord.

The only change in lineup will be for Friday's game when Jack Sherman will replace Curt Barclay on first base, as he will be pitching.

IM Softballers Slate Make-Up

Intramural softball games slated for yesterday were rained out. The schedule for today calls for a make-up of the rained-out tilts originally set for April 5.
