

Orchasis Slates Dance Concert Program May 17

Orchasis clubs of the Women's Athletic Association will present a dance concert titled "Women of The States" at 8 p.m. May 17 in the University Theater.

Tickets, on sale for 50 cents, are available through the members of the clubs at the women's PE department office, and at the School of Health and Physical Education office.

Program plans include 13 dances by members of Junior and Senior Orchasis. The numbers will all be related to the title and will depict certain high spots that women have played in the history of the states. Among these numbers will be the westward movement, women's rights, and the armistice.

Mrs. Margaret Logan, instructor of physical education, and Mrs. Rosamond Wentworth, associate professor of physical education, are in charge of the annual program, which has previously been held at Gerlinger.

Wally Bullard, department accompanist, will accompany the dancers on the piano. All but two of the musical accompaniments are his own compositions.

Orchasis has both a Junior and Senior club. The junior group, headed by Aileen Betschart, is composed of girls who are interested in becoming more skilled and who have shown possibility in fundamental and elementary dance classes. Barbara Kletzing is president of the senior club, which is made up of more experienced dancers.

Promotion Jobs Open

2. Discussed the petition presented by Law Students John Caldwell and Dale McKenzie contesting the authority of the student court to levy fines for traffic violations.

3. Went on record approving the setting aside of an hour for weekly daytime assemblies next year.

4. Discussed the Millrace improvement program for next year and passed a motion requiring expenditures of funds donated to the Millrace in last year's breakage fee drive to be approved by the Executive Council on recommendation of the student millrace committee.

5. Appointed Lou Weston, second vice-president, and Don Pickett, sophomore representative, to make arrangements for the annual ASUO banquet, to be held in late May.

In a Chinese Garden Chosen Prom Theme

(Continued from page one)
kind of music that for years has been associated with the name of Barnet—old favorites such as "Cherokee," "Red Skin Rhumba," and "Pompton Turnpike."

In addition to playing for the dancers, Barnet's Cherokees cover nearly the entire jazz field. Although hop won't be featured, the group will play it upon request. Most of Barnet's numbers will be the smooth, conventional dance pieces.

Barnet's musical career began when he organized a five-piece band. The group entertained on 22 crossings of a trans-Atlantic ocean liner before it broke up and Barnet headed for New Orleans, the "cradle of jazz."

He settled down to study the subject of jazz but later gave it up because of lack of advancement in the New Orleans school.

Barnet again organized a group of his own, but his interpretation of modern jazz was considered revolutionary and 10 years ahead of its time. Jazz was in his blood, however, and he stuck with it until he found himself gaining an enthusiastic audience with the younger set making a name as one of the top sax men in the country.

It was in 1939 in New York that Barnet became an overnight sensation. His original recordings caught on immediately and the Charlie Barnet orchestra became a national favorite.

Co-op Board to Meet To Determine Rebate

The University Co-op Board will hold a meeting the latter part of this week to decide on the meeting time and place for deciding upon Co-op rebates for the past year.

Each spring the Board decides upon a percentage of sales-receipts which will be given to students as their part in Co-op membership. Last year the percentage was 10 per cent of all receipts turned in, netting many students as much as \$10 or more.

The final date for turning in Co-op receipts will be made public later, the Board advised.

Radio Contest Nominations In

Friday marked the last day for students to make their nominations for outstanding campus radio personalities. Now the decision belongs to the judges.

Five trophies will be awarded to students receiving the largest number of credits in the balloting. They will be chosen after a classification committee approves nominations and the judges make their decisions. Judges are representatives of radio stations KERG, KASH, and KUGN and John Wald, the Richfield Reporter.

The University Department of Speech, sponsor of the contest, will announce the five top contestants later in May before the presentation banquet. The trophies will soon be on display in the Co-op where they will remain until the time of the presentation.

The contest was sponsored to promote competition in University radio work, and to show appreciation to students who show the most ambition and talent.
