Court Decision Finds One Guilty

One student was found guilty and one not guilty at Tuesday night's session of the student court.

Both cases before the court involved student parking in the Friendly Hall faculty lot during the school day. Students are allowed to park in the lot after 5 p.m. and before 7:45 a.m., but during the day parking is reserved for faculty members.

One ticket was dismissed by the court on the grounds that the portion of the lot on which the student's car was found was inadequately marked for no parking.

The other citation, for parking in the service entrance west of the faculty lot, was upheld and a fine of \$1 was paid.

Both students were warned that fines would be doubled in the future unless a parking sticker, issued by the University free of charge to student car-owners, was attached to a window of each car.

Tuesday night will be the last meeting of the student court this term.

Political Scientist Plans Two Lectures

Dr. Hans Kelsen, professor of political science at the University of California, will lecture at 8 p.m. today and 11 a.m. Friday in 3 Penton.

The topic of today's lecture will be "Peace—By Court or Government." Friday morning he will speak on the "North Atlantic Pact and the Charter of the United Nations."

Kelsen will speak under the auspices of the University Lectures Committee, the Graduate School, and the political science department.

His billfold was lost, He couldn't pay his way An Emerald Classified Would have saved the day.

Sosh Session

By JACK LANDRUD

Well, the sun finally burst through the cloud barricade and people are skipping classes like made trying to get a better tan than the person who lives across the street. Ah, spring term!

The pinned parade has picked up many additions, some of whom are Alfafee **Maxine Anhoury** and ATO **Dick Gehz**, **Marian Briner** of Or-dies and **Sig Ep Allan Kershaw**, **DZ Dorothy Bouffleur** and **PIKPhi Cal Nesbitt**, **Alpha Xi Beth Olson** and **THE Jerry Markham**, and **Kathy Newman**, famous Theta phone-caller, and **Kappa Sig Bill Clausen**.

Word received from the AOPi house is that there is "no activity, whatsoever" there, except that **Shirley "Grandmother" Dalton** is now wearing a crew-cut!

Officially ringed are **ADPi Fran Baldwin** and **DU Lou Hedlund**, **Alpha Xi Ethel Anderson** and **Yeoman Chuck Hallin**, **Tri-Delt Bev Buckley** and **Delt graduate Dave Robathan**, **Theta Sally Waller** and **Chi Psi Hank Kinsell**, who is now at Stanford.

Speaking of Stanford, **Jack Rivvenburgh** and **Dick "Moose" Faville** from that school spent last weekend here "soshing" during **Junior Weekend Festivities**.

Wearing the Beta badge of U. of Washington's **Carl Carlson** is **AChiO Charmaine Sheffer**.

Also picking up new hardware recently are **Sigma Kappa Lillian Schott** who captured the **Phi Sig** emblem of **Hal Derran** and **Pi Phi Davida Riddell** who boasts **Bert Bergstrom's Phi Psi** pin.

Our first "Eligible of the Week," **Kappa Sue Seley** seems to have definite interests in the **Phi Delt** house.

Blushing sweetly at the mention of footballer **Darrell Robinson's** name is **Freshman Ann Thayer**.

Brandishing new jools are **Theta Diane Bekins** who received same from **SAE Tom Elliott**, **Alfafee Mary Aiken** who engineered a similar transaction with **Kappa Sig Raoul Duerden**, and **DZ Sandra Scott** who latched onto the **Phi Kap** crest of **Bill Marshall**.

Question of the Week: When are **Pi Phi Mimf Jones** and **Kappa Sig Mike Haggerty** going to get pinned and stop fooling around?

Ending a lengthy courtship in a pinning were **Pi Phi Bert Tussing** and **ATO Prexy Joe Richards**. Wonder if that will change **Bert's** plans about going to **Hawaii** this summer?

The **ZTA** house dance Saturday night, themed "Driftwood Drag," featured a special combo of **ukes**, **sax**, **trumpet**, and **piano** which was very heartily received.

Trading in **Bill Hayes' Beta** pin for an engagement ring was **AChiO**

Lipman-Wolfe Plans Return Visit to U.O.

Representatives of **Lipman, Wolfe & Company**, Portland department store, will visit the campus again this morning.

Lipman Wolfe is seeking graduates for permanent merchandising positions and junior college women for **College Board** jobs.

Robert Hirstel, employment manager, and **Miss Dorothy Day**, fashion co-ordinator, will conduct individual interviews.

Further information and interview appointments are available in the **Graduate Placement Office**, 216 **Emerald Hall**.

Indian Art on Display

Reproductions of the art of **India** are now on display in the library of the **Oriental Art Museum**. The group includes illustrations of wall paintings, metal work, and embroidery.

Nancy Wright.

Time for the "Eligible of the Week" and our current title winner is (unknown to her) **AChi O Pat Foley!** This luscious miss stands 5 feet 6 inches, weighs about 112 pounds, has very blonde hair and blue eyes. Pat hails from **Pendleton** and will talk for hours about that city's famous **Round-up**. She is majoring in art, although a favorite hobby is cooking. Pat fascinates all by talking in an original **Eastern Oregon** drawl, is unusually good-natured and is terrific date material for any occasion. Phone number is 5-9162 (Gee, this sounds great—wonder if I have a chance?)

See ya
