UO Employees Pick Insurance

After studying two different plans for hospitalization insurance this summer, the University employee's committee on hospitalization and insurance has decided to adopt the program offered by the Blue Cross Plan, it was announced today.

This new plan available to all University employees, increases the surgical schedule from \$225 to \$300, increases the hospitalization coverage from 21 to 70 days, and adds other changes. Booklets giving complete information on the new plan will be available soon.

The old hospitalization plan will be withdrawn and the new one instituted at a small cost to the subscriber. This new Blue Cross plan does not effect the existing Eugene Hospital Clinic plan, also available to employees, the committee explained.

New Drive-in Open

Eugene townspeople and University students have a new drive-in restaurant to patronize this year—Cable's. Run by Ann and Barney Cable, this new business is located between the two divisions of highway 99 near the Ferry street bridge.

The Drive-in will be open from 11 a. m. to 2 a. m. According to Mr. Cable, students are welcome and he has "good hamburgers for them."

Do You Know a Rumor--- when you hear one?

During the war we knew enough to mistrust rumors and particularly knew how dangerous it was to spread them. We knew then that rumors affected our unity, and unity was vital to winning the war.

But perhaps we don't know that rumors are just as dangerous today as they were during the war.

Because—rumors about other groups, other religions and other races always threaten our national unity—without which we cannot hope to survive.

Be an active citizen—help keep your country strong, united and

secure—a good place in which men can live together, prosper together and pursue happiness together.

Make sure that you are not spreading rumors against a race or religion. Speak up, wherever you are, against prejudice, and work for better understanding. Remember that's being a good American.

Nelson Warns Of Salesmen

If you are approached by any salesman on this campus, demand his credentials, particularly a Letter of Authority from the Office of Student Affairs. It has been reported to the Emerald that several salesmen are now selling magazine subscriptions at this University. These salesmen have been on the campus for two days and have not obtained a Letter of Authority.

"In the past, we have had traveling photographers collect money from house to house," said Lyle M. Nelson, director of information, "and then never make any deliveries."

There is an old story about an ass being disguised in a lion's skin. Every now and then some college does it with a sheepskin.
