Board Sets Pledging, Dorm Rules

Dormitory and pledging rules were set down by a joint committee of the Women's Dormitory Governing Board and Panhellenic at a meeting Tuesday night.

Beginning Oct. 9, pledges will not be allowed to go to desserts at sororities. They may go to their houses for desserts tonight. Pledges will remain at their dormitories for the Bunion Derby.

Formal pledging will be on weekends, or times not interfering with study hours, the group decided. However, this will not affect dates already announced to pledges. The ruling will go into effect Oct. 8.

No Coke Dates

Freshman women will not be allowed coke dates Sunday through Thursday nights. They will always be in the dormitories for study hours unless special permission is granted. Permission will be given for recognized cultural events.

Pledges may go to their houses for dinner every first and third Monday. They must stay there until 10 p. m. so their return will not disturb study hours. Pledges may go to their houses for lunches and dinners, if they don't miss a dormitory meeting or study hours.

Dormitory meetings will be held every second and fourth Monday.

One Weekend At Houses

Pledges may spend one weekend per term at their houses. All freshman women are allowed three weekends off campus. If the pledges wish to substitute one, or all, of their off-campus permissions to stay at their sororities they may do so.

During Homecoming activities, all freshmen will work for their dormitory. Pledges may participate in Junior Weekend for their houses, with the exception of the all-campus sing.

Attend House Dances

House dance work will be done by active sorority members, but pledges may attend. If dormitory and house dances conflict, pledges are allowed to make their choice, or attend both.

Founder's Day banquets at the houses must end by 7:30 p. m.

Pledges may enter intramural sports with their sororities.

Five On Board

The Women's Dormitory Governing Board is composed of the three dormitory presidents, one councilor and one housemother.

The council will meet again at 6 p. m. Oct. 10.

Conflict on Dates Postpones Dance

Due to the date conflict with the Bunion Derby Friday night, the "campus night" dance at Willamette Park has been canceled by Tom Barry, student manager of the park.

The first of the "campus nights" series will be Oct. 20 if conditions permit.

"Students should give full cooperation and attention to make the Bunion Derby a complete success," Barry said. "We feel that any student activity such as this deserves priority."

IFC Shakeup Sees New Prexy

Glen Holden resigned as president of the Interfraternity Council in a meeting of the IFC Tuesday night.

Bill Harber, vice-president of the organization, automatically took over as the new president. Neither was available for comment.

In addition to the changing of officers, members also discussed pledging and initiation policies, and the rushing of boarders in the various houses.

Pledging for boarders and others eligible for pledging this fall will begin today instead of Monday, according to a decision reached at the meeting.

'It's for You' YW Slogan

"It's for You!" is the byword of the University YWCA, which moves into the third day of its 1950 membership drive with solicitations in women's living organizations today.

The drive, which began Monday, is designed to make women aware of the "Y" and its possibilities, according to Beverly Buckley Robathan, YWCA president.

YWCA junior advisors and members of sophomore and senior cabinets are visiting all women's living groups this week explaining opportunities for freshmen and transfers in the YW.

New students will be welcomed into the organization at informal open houses 3 to 5 p. m. today

Rally Board to Interview Song Queen Candidates

Song queen candidates will be interviewed Thursday by the rally board between 3-5 and 6:30-10 p. m., place to be announced.

Jim Fenimore, rally board chairman, encouraged all women interested to show up for the tryouts. He stated that although experience may prove helpful, the five queens will be selected strictly upon the basis of the ability and promise that they display.

There are no class restrictions and no petitions are required. Candidates are encouraged to come to the interviews as early in the

afternoon and evening as possible.

Jim Crismon, who is to conduct the tryouts, stated that band music will be available and that the girls will be asked to march and clap to the rhythm. The board will interview each girl concerning her ideas and experience. The only vocal requirement is an average voice.

The song queen squad that will be selected from these candidates will be the first of its type at Oregon. In the past there has been but one rally squad composed of men and women who led both the yells and songs. This year the yell squad is strictly male, leaving the song leading to the feminine five. Oregon is one of the last of the larger coast schools to adopt the male yell squad setup. Greater endurance is one of the greater advantages of the male squad.

Rally Chairman Announces Posts

Co-chairman and members of rally board committees were announced Tuesday evening by Jim Fenimore, general rally board chairman. Fenimore explained that each co-chairman will share his responsibilities with one member of the general rally board.

Chairmen and members-at-large are the following: welcome, Joan Cartozian, chairman, and Milt Hagen, Ann Irwin, and Bill Hall; decoration, Georgie Oberteuffer, chairman, and Gretchen Grefe, Joyce Rathbun, and Delbert R. Lee; traffic clearance, Dick Davis, chairman, and Dave Hamilton.

Entertainment, Jack Faust, chairman, and Doug Graham and Jean Lewis; promotion and publicity, Tom Barry, chairman, and Norma Hultgren; card stunt and white shirt section, Bob Bittian, chairman, and Don Zavin, Sally Ericksen, and Larry Semler; secretarial, Pat Rice, chairman, and Joyce Winn and Ann Shidler.

Interviews Slated On SU Committees

Interviews are being conducted this week for students who petitioned for the six standing committees of the student Union Directorate.

The cultural and ballroom committees will be interviewed Wednesday night and the publicity committee Thursday night. Students who did not receive a notice concerning interviews should notify Miss Olga Yevtich, program director, Student Union.

Top Red Cross Positions Open

Petitions for top positions in the campus Red Cross cabinet have been called for, with the deadline set at noon Saturday.

Applications may be turned in to Donna Mary Brennan at the Kappa Alpha Theta house.

Positions open are vice-president, who is in charge of telephoning; publicity chairman; treasurer, who will probably chair the campus Red Cross drive; and chairmen and committee workers for Roseburg veterans' hospital programs and the campus disaster committee.

Men are particularly needed by the group, officers stated.

Homecoming Petitions Due

Petitions for chairmanships of Homecoming and its various committees are due at 5 p. m. today in the ASUO office.

Petitioners for the general chairmanship will be interviewed by the ASUO Executive Council in a special meeting at 6:30 p. m. in the Student Union board room.

Students may petition for general chairmanship or for the chairmanship of eight committees: promotion, publicity, alumni welcoming, dance, noise parade, sign contest, finance (including button sales), and general secretary.

OSC 1 a. m. Hours Checked by Hawk

Ray Hawk, director of men's affairs, was in Corvallis Monday checking and gathering information on OSC's 1 a. m. weekend closing hours.

He had no comments to make Tuesday on what he learned.

However, he said the student affairs committee would meet sometime this week to discuss the matter. No date has been set for the meeting.

Vacancies Discussion Scheduled

The Executive Council will meet Monday to determine what will be done about vacancies created when former presidents of the sophomore and junior classes were declared ineligible.

Records disclosed earlier this week that Joe Kiaser and Vernon Beard, the ousted officers, were scholastically not eligible to hold any elective or appointive position this term. According to the registrar's office, neither made the necessary 2.0 GPA spring term.

This automatically moved the vice-presidents into the two top positions in conformity with the ASUO constitution. Helen Jackson took over as sophomore class president in place of Kiaser, and Beard's office was filled by Willy Dodds.

Barry Mountain, ASUO president, confirmed the move by telephone to the Emerald Tuesday.

He said that the Executive Council would decide in its Monday meeting whether or not the two classes would elect new vice-presidents. If the Council does not recommend another election, Mountain said, the issue would be decided by the class officers.

Sommerlade Gets Play Lead

Joyce Sommerlade and Faber DeChaine will play the lead roles in "Born Yesterday," first regular production of the University Theater 1950-51 season.

Miss Sommerlade was cast in the coveted role of Billie Dawn after over a week's casting rehearsals. DeChaine plays Harry Brock. The roles were performed on Broadway by Julie Holliday and Paul Douglas.

Others in prominent roles include Jim Blue as Paul Verrall, Gordon Howard as Ed Devery, Carl Harshbarger as Senator Hedges, Virginia Howard as Mrs. Hedges, and Ken Olsen as Eddie Brock.

Bunion Derby Set For 7:15 Friday

The starting gun for the Bunion Derby will go off at 7:15 p. m. sharp Friday, and from then on it's anybody's race!

Each men's living organization will travel in a group from house to house according to the schedule until they have visited all the women's dorms and houses; then individual members may go back to any house or girl that strikes their fancy.

Five cents from each man will buy fifteen minute's time at one house. The proceeds will go to the sponsoring Associated Women Students.

The Delta Delta Delta house, which has been closed for remodeling, will be opened especially for this event.

All participants are asked to carefully note the schedule which will appear in Thursday's Emerald.
