

## Ducklings, Varsity in Scrimmage

Coach Jim Aiken sent his Web-foot squad against Bill Bowerman's Frosh crew Monday afternoon in the initial practice scrimmage of the week. The players who saw a lot of action in Saturday's win over Montana went through a light workout, the first soft Monday session in a long while, and then headed for the showers.

### Reserved for Later

There were no early showers for the reserves, however, who were just starting their day's work when the first-stringers left. The work consisted of a heavy scrimmage against the Ducklings, who open their season against the Willamette JVs here Friday.

The reserves-Frosh encounters will be a regular thing each Monday, according to Aiken. The Web-foot headman said he was very pleased with the results of such efforts a week ago, when he switched Halfback Bob Carey to offensive work. Carey showed enough during the remainder of the week to put himself where he could lead the Oregons to their first victory of the year.

### More Depth?

Another outstanding back looked well during Monday's workout. Emile Holeman, 174-pound junior from Pendleton, ran hard from the right half spot and unwound several long gains during the afternoon. Fullback Ron Lyman also looked sharp in sharing the line-crashing with Holeman.

In the line, Aiken singled out End Dick Salter, Guard Don McCauley, and Tackle Gerry Moshofsky.

## Organized Bowling

Students or organizations wishing to organize a bowling league are urged by Roy Brothers to contact him at Campbell Club. Brothers hopes to form a bowling league to accommodate those groups not now affiliated with any league.

## Minturn Explodes; Sherry Ross, DV's. Win Close IM Games

by Bob Pierce

Minturn Hall managed to stay on the winning side of the ledger again while Delta Tau Delta, Nestor Hall, and Sigma Nu won their games with comparative ease. Two teams, Sherry Ross Hall and Delta Upsilon, won the close contests of the day.

Minturn Hall swamped the Yoemen 47-0. J. Nishimoto scored one T.D. and tagged a Yoemen behind his goal line for two more points. Bob Fase rolled over for two more T.D.'s and one extra point. Coco Santos made another of the conversions. Muirhead clicked for both a T.D. and a conversion. Coley made two T.D.'s while Rose caught one of the extra points. In the closing minutes of the game, Joe Tom galloped 75 yards to pay dirt. Minturn has not been scored on the whole season and have had only one first down against them. It looks as if they may go all the way in the tournament and win the coveted championship, but there is always a chance for an upset.

Delta Tau Delta shut out Phi Kappa Sigma 25-0. Guldager passed to Kerns for first two T.D.'s and the extra point. Then Guldager passed two more T.D. passes to Hawes. It was a fast game, with plenty of thrills for both sides.

### Nestor Blanks Cherney

Nestor Hall upset Cherney Hall 19-0, as Marv Bernstein hit pay dirt first on a beautiful pass, and followed it up with the extra point. Ken Edwards put two T.D. passes in the hands of Mercer King. Cherney had trouble stopping the offense of Nestor, and failed to click when they had the ball.

Sigma Nu blanked Pi Kappa Phi 19-0. Rugg made two beautiful T.D. runs and the only extra point was made by Howser. Toward the last of the game Jim Smith galloped 60 yards on a punt return to score the last T.D. of the game.

### Close Contests

Sherry Ross Hall edged out Philadelphia House 7-0, in the tightest game of the day. In the last quarter with about a minute to play, Barnes went over from the two yard line. The conversion was made by a pass from Deatherage to Thom. The best yardage was made by passes from Deatherage to Thom.

Delta Upsilon took a close one from Stan Ray Hall 6-0. In the second quarter Fred Van Horn passed to Frank Lawrence for the fatal score. Both teams got so excited near the end of the game that they made themselves ineffective.

It's no wonder college students are against war. Every time they write home for money they get a taste of it.

## Six IM Teams Meet Today In Playoffs

The final scheduled games in intramural touch-football were completed Monday afternoon, and the top seven teams fight it out in the quarterfinals Tuesday afternoon. There will be three games, as Nestor Hall received a bye, and all will begin at 4 p.m.

The Betas will meet the Phi Deltas, Pi Kappa Alpha goes against Minturn Hall, and ATO faces Sigma Nu.

### Finals To Be Held Friday

The semifinals will be held Wednesday afternoon at 4, and the finals will be Friday at 4 p.m. The schedule for Tuesday's playoffs are:

- 4:00 IM Field—Betas vs. Phi Deltas
- Field 1—Pi Kaps vs. Minturn
- Field 2—ATO vs. Sigma Nu
- Nestor vs. bye.

## Frosh Backs, line Improve

The Frosh, under Coach Bill Bowerman, had their first scrimmage against the varsity reserves Monday. And according to the coach the Ducklings looked much improved over last weeks performances.

Bowerman is very pleased with the set-up of Monday scrimmages with the varsity as it gives his boys a chance to gain experience against college ball.

### Fine Backfield Work

John Spreen did some excellent pass heaving for the Frosh, and along with him in the backfield Morris, Marra, and Hostetler did fine jobs in the running attack against the reserves.

The line held up well against the bigger men, and tackles Darrell Farr, and Terry Picknell did outstanding work.

## Passers Beware!

RAY KARNOFSKI, Oregon defensive back, has proven himself as one of the top defensive men on the coast. He is a deadly tackler, and is improving weekly on pass defense. Ray is a Liberal Arts major.

## Intraschool Swimming Scheduled Next Month

Intraschool swimming will return to Oregon this fall for the first time since before the war, with the first preliminary meet scheduled for November 7 to be followed by the finals set for November 9.

The swimming program will for the time being be operated independent of the regular intramurals, but if successful it is expected that it will be included as a bonafide intramural activity. It will operate on the same basis as the track program of last spring.

All male swimmers with the exception of lettermen and numeral men will be eligible to compete. Entries may be turned in to Rod Harman at the Beta Theta Pi house at any time. Hours for practice at the pool are to be announced.

Finalists will be picked on the basis of preliminary performances, with the five best times entered in the finals. A trophy will be awarded the living organization with the highest score.
