

## SU Facilities Open to all Campus Girls

"All women are urged to take advantage of the pool tables, bowling alleys and ping-pong tables at the Student Union," Louis Bellismo, SU recreation manager, said Monday.

"A feeling seems to have arisen that the SU recreational facilities are exclusively for the men of the campus; this is completely false," Bellismo explained.

Ten free lines of bowling are offered weekly to the man and woman receiving the highest scores. The scores may be bowled at any time, with competition ending each Sunday night. Those who are taking bowling for their physical education courses are also eligible.

High scorer for the men this week was Vern Thompson from Stan Ray, who bowled 219. Betty Tewata won the women's competition with a score of 172.

## AWS Auction Heads Named

Barbara Howard and Sally Stone were named co-chairmen of the annual AWS Auction scheduled for 4 p. m. October 20, at the AWS Congress meeting Tuesday.

Living organizations are being asked by collections chairman Betty Boner to put any school supplies, lamps, clothes, knick-knacks, records, white elephants, etc. in a box which will be picked up next Wednesday.

In previous years freshmen from one men's and one women's living group were auctioned off to the highest bidder. This year, however, with no freshmen living in Greek houses, the two groups chosen will be asked to furnish either one class or a selection from all three upper classes.

All women students may petition for committee work on flying speeches, collection and sorting, decoration or poster committees. These petitions are due by 5 p. m. Thursday to Sally Stone, Kappa Kappa Gamma or Barbara Howard, Alpha Delta Pi.

Chairman heads, chosen from the AWS congress, are Denise Thum, posters; Betty Obrist, decoration; Barbara Booth, properties; Helen Jackson, publicity; Donna Lusby, flying speeches; and Betty Boner, collection and sorting.

## Group to Discuss Maladjusted Child

A discussion of the maladjusted child will be conducted by Dr. Kenneth Scott Wood, director of the University's speech and hearing clinic, at a meeting of the Junior High School Principal's Association in Salem Monday.

A panel discussion will be held after Dr. Wood's talk on "What the Junior High Schools Are Doing About the Maladjusted Child."

## Selections by Wood Bill for Tonight

Mozart's Sonata K. 333 and Romanian dances by Bela Bartok, piano selections, will be played tonight by William Wood, piano instructor in the school of music, over the Faculty Show.

The show is a weekly program over KOAC from 6:15 to 6:45 p. m.
