

GPA, Bells Take Toll Of Officers

Grade point average and wedding bells took additional toll of class officers over the holidays.

Willard Dodds, junior class president, failed to make a 2.00 GPA and, according to the AS-UO Constitution, must resign his office.

Dodds follows in the footsteps of former junior class president, Vernon Beard, and former sophomore class president Joe Kiaser, who were ruled ineligible for office last fall on the basis of their spring term grades.

Dodds, elected last spring to the junior class vice presidency, succeeded Vernon Beard to the office of president.

Goodman Marries

Anne Goodman, senior class secretary, resigned her office to marry Ralph Johnson, former law student now serving with the Air Force. She was also president of Mortar Board, senior women's honorary. Last year the new Mrs. Johnson was junior class treasurer.

Who will take over the vacated offices in both the junior and senior class depends on action of the Executive Council, which has supervisory jurisdiction over all class affairs.

Successor Uncertain

Shirley Hillard, junior class secretary, is next officer in line for the position, unless the Executive Council decides to hold a special election to fill the vacated office, said Donald M. DuShane, director of student affairs.

Betty Wright, vice-president of Mortar Board, succeeded Miss Goodman as president of the honorary.

Receipts Must For Card Pix

Cashier's receipts for registration fees must be presented in order to have pictures taken for the new ASUO student body cards, Virginia Wright, Executive Council member in charge of arrangements, said Thursday.

Pictures will be taken Monday, Tuesday, and Wednesday at the University photographic bureau in the basement of Johnson Hall. The bureau will be open for photography from 9 a.m. to 12 noon and from 1 to 4:30 p.m. each day.

A ten-cent fee must be paid when the picture is taken. Late picture sittings will result in extra cost.

Picture schedule:

Monday: Last names A through H

Tuesday: Last names I through R

Wednesday: Last names S through Z

The new card, which will include the student's name, picture, and birth date, will be used for athletic events, library books, and concerts with the same card to be good all year.

Cards are scheduled to be ready to pick up Jan. 19 in McArthur Court. Designer of the new card is Stephanie Scott, sophomore in art.

Sub-2-pt. Frosh Will Hold Meeting

Freshman men in University dormitories who fell below a 2.00 GPA fall term will meet at 6:30 p.m. Tuesday, Jan. 9, James D. Kline, associate director of student affairs announced Thursday. Place of the meeting will be announced later.

The purpose of the meeting will be to discuss plans for the freshman study hall program, which will get under way later in the week, Kline said.

Crews are now removing all furniture other than tables and chairs from French Hall, which will be used to provide study facilities under the new program. French Hall residents have been transferred to other dormitory units.

Partly Cloudy, Rain; Our Loss, River's Gain. Partly cloudy with a few widely scattered showers today. High, near 50; low, near 36.

Opera Singer To Appear Here

Blanche Thebom, mezzo-soprano of the Metropolitan Opera Company, will appear in concert 8 p.m. Thursday at McArthur Court. The

BLANCHE THEBOM

Eugene Civic Music Association is sponsoring her appearance.

The brown-haired Swedish singer started her career 10 years ago, giving up her Canton secretary's job to take her first music lesson. Since then she has scored success after success reaching the attention of the Impresario S. Hurok within two years, appearing at Manhattan's Town Hall in January, 1944—after three concert tours—and in the Metropolitan Opera that same year.

One of her greatest ovations was given her by her mother country, Sweden, when she sang at the Royal Opera House in Stockholm, in Saint-Saens' "Samson and Delilah." She received 45 curtain calls. The manager of the Stockholm opera then invited her to sing in "Carmen." She also sang the part of Dorabella in Mozart's "Così fan tutte" at the famous Glyndebourne Opera festival in England.

This year Miss Thebom will appear in the role of "Eboli" in Verdi's "Don Carlos" at the Metropolitan, sing the solo part in Mahler's symphonic poem, "Das Lied von der Erde" with the Chicago Symphony Orchestra, and sing in the role of Klytemnestra in Strauss's opera "Elektra" with the San Francisco Symphony Orchestra. She will end her season as soloist for the second year at the May Festival in Ann Arbor, Mich.

Students will be admitted to the concert upon presentation of their student body cards.

'Street Corner' Review

Sex Education Movie at Lane Draws Large Throngs of Curious

By Don Smith
"Street Corner," semi-educational film at the Lane, is a sincere and not too bad attempt at impressing the masses with the necessity of "family relations" (vulgarly termed sex education) as a method of avoiding unhappy sex experiences.

The show has an air of excitement about it in its pre-filmtime advertising and write-ups—segregated audience, the registered nurse in attendance, the hygienist who will lecture, the provocative illustrations accompanying the ads, all lead many to expect something other than what they get.

But few people who pay their 70 cents admission to find out what's going on in the Lane will be disappointed. If not an entertaining evening as some may have hoped, it is at least an interesting experience.

The show has been playing to

Defense Action at Oregon Within 24 Hours--S.W. Little

Campus to Give Blood for Korea In SU Jan. 22

Whole blood—350 pints of it for the wounded in Korea—will be collected from University of Oregon students and faculty members Monday, Jan. 22, by the Lane County chapter of the American Red Cross.

The blood, which is for military use only, will be received in the Student Union, with two bloodmobiles being used and doctors and 12 nurses on duty. The local chapter has been assigned the quota of 350 pints, and will make 425 appointments in order to make the quota, due to possible rejections and failures to keep appointments. With receiving being conducted for five hours, the donations will have to be made at the rate of 80 every hour.

A parental release blank is printed on page 7 of this issue of the Emerald. Students are asked to have the blank filled out by their parents as soon as possible.

ures to keep appointments. With receiving being conducted for five hours, the donations will have to be made at the rate of 80 every hour.

Age Range 18-60

Anyone at least 18 years of age but not yet 60 may donate blood. However, those under 21 must have a signed release giving parents' consent. The only exception to this is married women, who do not need parents' consent.

In order to prevent as many rejections as possible, thus enabling the majority of donors signed up to actually be accepted, the Lane County Red Cross chapter has made the following requests:

Any person who has ever had infectious jaundice will definitely not be accepted, so such persons are asked not to sign up.

Students and faculty members who have been inoculated for typhoid or vaccinated within the last month also will be rejected.

Many Rejections

The local chapter said that rejections in the past have been about one-sixth of all those appearing. It has stressed that those who sign up must appear for their appointments in order to insure the quota of 350

"By the end of this month, we will have a University civil defense program so organized as to enable us to take action within 24 hours' notice if necessary," S. W. Little, head of the University's defense program, and dean of the School of Architecture and Allied Arts, declared Thursday.

The University is under state jurisdiction, and has established its own civil defense program. However, Little said that it would cooperate closely with the city of Eugene.

Nurses' Aides will be trained by the Red Cross, and a motor corps will be organized. Both divisions will consist largely of faculty members, with some students participating.

To Name Officials

"Officials from the faculty in charge of housing, hospitalization, emergency building repair, food, sanitation, and communications will be named soon," Dean Little said.

Certain buildings on the campus offering most protection and adequate space will be designated as atomic radiation shelters.

The Student Union has been chosen by the county medical board to serve as an auxiliary branch of Sacred Heart hospital, and will be supervised by Dr. Marion H. Miller, assistant University physician.

UO to House Evacuees

Fraternities, sororities, dormitories—all campus living organizations will be used for housing evacuees, as necessity demands. In emergencies such as housing, the University and city of Eugene will exchange facilities.

"Heat, food, electricity, water, and other utilities will probably be supplied by the physical plant," added Dean Little.

A secretariat will be organized to handle statistics. Tentative plans call for the location of official general headquarters to operate from the speech department, communication facilities there being superior to those of other campus buildings.

Kwama's Elect New President

Dolores Parrish, sophomore in liberal arts, has assumed the presidential duties of Kwama, sophomore women's service honorary.

Miss Parrish fills the vacancy left by Francis Gillmore, fall term president, who has withdrawn from school to join her family in Washington, D.C., where she will attend George Washington University.

Kwama recently tapped Gerry Pearson, sophomore in liberal arts, to maintain their membership of 30 women.

Miss Pearson, a member of Kappa Alpha Theta, is campus entertainment chairman. She has worked on the advertising staff of the Emerald and last year was active in Junior Panhellenic and in planning the Frosh Picnic.

UO Faculty Man Goes to Naval Lab

Lyman A. Webb, former University physics instructor, is now in San Francisco as a physicist for the naval-radiological defense laboratory.

Webb worked last fall on Dr. A. E. Caswell's U. S. A. F. Research Radiation staff, and left Nov. 1, climaxed four years on the University faculty. His contract with the physics department expired when he accepted the offer from San Francisco.

Extra Soul Signs--Registration Gains

Things picked up in the registrar's office Thursday.

As of Wednesday, registration for winter term was 1,001 students behind 1950's winter term registration for the corresponding day. When the office closed Thursday, however, there were only 1,000 fewer than the same day of 1950's winter term—a gain of one student.

A total of 3,733 students have registered for this term, compared with 4,733 for last winter term. Registrar Clifford Constance emphasized that Saturday noon is the deadline for complete registration without penalty. On Monday, a late fee of \$5 will be assessed; every day after Monday, another \$1 will be added.

'Right You Are' Casts Peterson, Vosburg in Lead

Tru Vosburg and Bob Peterson, seniors in speech, have been cast in featured roles in "Right You Are (If You Think So)," Pirandello

TRU VOSBURG

comedy to be directed by Frederick J. Hunter, instructor in speech, as the third University Theater production of this season.

The comedy, one of the theater's Greater Drama Series, will be presented Feb. 2, 3, 7, 8, and 9 to students and townspeople. It will also be shown to delegates to the annual Northwest Drama Conference, which will be holding its fourth consecutive meeting on the campus Feb. 8, 9, and 10.

Casting of "Right You Are" was conducted at the last of fall term. In the cast with Miss Vosburg (winner of last year's best actress award in the University Theater) and Peterson are Ben Padrow, Eric Matthews, James Wolters, Harold Long, Dorothy Polanski, Martha Stapleton, Helen May, Pat Matsler, Pat Bellmer, Donna Knoll, and Patricia White Nelson.

Casting of four roles, including the lead male role, will not be completed.
